Horlick
Originated
Malted Milk
in 1883

The name, "Malted Milk," devised by Horlick, has been appropriated by others.

Only by the Original Horlick process, which imitators do not reproduce, can the full food values and flavor of Malted Milk be obtained.

The medical profession everywhere has endorsed the Original product for over a half a century. Avoid Imitations.

Increases efficiency of a truss 50%

GREATEST RUPTURE RETAINER

The self-adjusting features of this Pad make it easy to wear, and the Tumbler device allows of altering pressure at will. Most ruptures grow slowly in the beginning, but our improved and advanced methods insure improvement for every case and cure.

At the founding of Philadelphia many immigrants lived in caves in the river bank. In one of these the first child in Philadelphia was born.

In those rough days one had small worry about the safety of personal possessions. Two centuries, however, have made vast differences, so that today burglar-proof vaults and other devices are necessary to protect your valuables. We have individual boxes for rent at reasonable rates in burglar-proof vaults. This is but one of the many features of our excellent service.

Credit is Progressive
Local success—local reputation—creates local credit. As a business expands, extending its acquaintance and broadening its market, it gradually develops a national character and is entitled to a national credit.

The customers of the National Bank of Commerce in New York are concerns which have built up national and international relations, requiring credit resources proportionate to their operations.

Atlantic Puts Wings on your Car

LIKE a bird in flight—that's the sensation you'll get with Atlantic in your tank. For you don't feel the road under you. You just think of going somewhere—swiftly, surely with a tireless force in your engine and a steady even beat like the motion of pinions.

Every drop of Atlantic gives full account of the quality in it. It all *burns*. None is left to trickle into the vitals of your engine, and break down your lubrication. Atlantic works smoothly, cleanly. It doesn't foul engines nor spark plugs. It is economy itself, because it gives you full *mileage*.

Away with worry about your carburetor. For Atlantic has the range of performance that makes tinkering unnecessary. Once it's set, you just drive—up hill and down dale, with power flowing like the streams you pass.

Now is the time to use the best gasoline you can get. And remember that auto-engines were *designed* to burn *gasoline*. For full power, full mileage, tank up with the fuel that is used by most car-owners and truck-owners in this state. They get it where you see the Red Pump and the Atlantic sign.

ATLANTIC GASOLINE
Puts Pep in Your Motor

THE ATLANTIC REFINING COMPANY

Are You Hard on Shoes?

The harder you are on shoes the more you will appreciate Korry Soles of double-wear leather. The army found them invaluable. Their extra long life means a real saving to business people who tread hard city pavements and to men whose work requires much walking on rough ground. You can imagine the economy they are on the shoes of romping children. They are as good for dress shoes as they are for work shoes.

Besides outwearing any others, Korry Soles are permanently waterproof, comfortably flexible, and won't slip in the wet.

Korry-Krome
GENUINE LEATHER SOLES

Next time you take your shoes to be re-soled, it will pay you to ask for Korry Soles.

Korry Soles are tanned by the J. W. & A. P. Howard Company, of Corry, Pennsylvania. They are used by reliable shoe repair men. If yours does not have them, notify our local branch and we will see that you are supplied.
