

GERMAN RADICALS PLAN VIOLENT COUP

Independent Socialists Would Seize Government if Beaten in Elections

By the Associated Press
London, June 4.—Growing excitement marks the election campaign in Germany which will end June 6. Independent Socialists report that at a meeting in Mecklenburg, the Conservatives, when they could no longer sustain the debate, threatened their opponents with revolvers. Independent Socialists and their supporters escaped death only by the intervention of Ministry Socialists according to a Berlin dispatch to the Exchange Telegraph Co.

Complaint was made to the German ministry of home affairs, the disaffected states, by the German National Land Union of Hesse, that its meetings are systematically broken up, its candidates maltreated and its followers assaulted. Independent Socialists are reported to make no secret of the fact that should the election result fail to reach their expectations, they will not submit to the new Parliament. Herr Knoell, their widely known leader, declared recently at a meeting in Berlin that in case the new Parliament does not show a majority for the radical left, the Independent Socialists will seize power by violent means.

Herr Daumig, another leader of the party, has declared every member of the organization must understand street fighting is unavoidable. "If the elections," he added, "do not give us our right, we will seize it by our might."

Some days ago Dutch newspapers reported that the former empress of Germany was under the medical care of Professor Hymans, Vanderlinder, of Utrecht. It being said she was run down in health as a result of moving from Amerongen to Doorn. There has as yet been no confirmation of this report, says an Amsterdam dispatch to the Exchange Telegraph Co.

The day after this report was made public two alleged suspicious characters were arrested inside of the gateway leading to the new home of Count and Countess Hohenzollern. Dutch authorities, the dispatch states, are keeping strictly silent about this happening, but a close watch is being kept.

Count Hohenzollern is not authorized to leave his residence without having first informed the commander of the constabulary, who generally accompanies the former emperor on his motor trips.

Berlin, June 5.—(By A. P.)—What to do with the marble statues of William Hohenzollern's forefathers in the St. Gertrude, the famous Avenue of Nations in the Tiergarten, has become a public question. They were erected under the

former emperor's supervision between 1880 and 1901. The naughty Josephine, Albrechts and Ottos in their armor-mailed fists grasping huge sabers, look singularly out of place under a Socialist regime.

One writer suggests that they should be shipped, freight prepaid, to Wilhelm's residence in Holland. Many Germans still find difficulty in realizing that the imperial regime is a thing of the past. Signboards in the Tiergarten still bear the inscription "Royal Forestry Department," and there are shopkeepers who display signs that they are purveyors to "H. M. the emperor and king," or "court" photographers.

It is rather pathetic nowadays to behold small boys in sailor suits wearing caps with ribbons "H. M.'s Submarine Flotilla," or "H. M.'s Air Forces."

HISTORIC SHIP TO BE SOLD

Vessel That Ramméd German U-Boat Offered at Auction

Zeebrugge, Belgium, June 4.—(By A. P.)—Captain Charles Fyatt's historic ship Brussels will be sold at auction on June 23. It being stipulated that no bids will be accepted from any but British subjects. The Brussels, which was captured in June, 1916, by the Germans and brought to this port, was torpedoed by the British during a raid here on April 24, 1918.

When in Brussels was hailed by a German submarine early in 1918 Captain Fyatt ordered the ship to run the U-boat. Later, when Captain Fyatt was captured by the Germans, he was tried for a violation of the laws of war and later executed at Bruges upon orders from Admiral von Schroeder.

RUMOR POLES IN FLIGHT

Copenhagen Hears of Powerful Bolshevik Drive

Copenhagen, June 4.—It is reported here that the Polish army is in wild flight, pursued by an enormous Bolshevik force.

A dispatch from London yesterday, sent out twelve hours prior to the above from Copenhagen, said:

"Russian Bolshevik forces are advancing on each end of the Polish front, but are being held along the Boreina river, according to an official statement issued at Moscow."

NUOVO PROGETTO PER L'ADRIATICO

L'On. Nitti Avrebbe TrasMESSO alla Jugoslavia una Pro- posta di Compromesso

Parigi, 3 giugno.—In questi circoli politici si assicura che l'On. Nitti avrebbe trasmesso al Governo della Jugoslavia una nuova proposta per sistemare la questione Adriatica e tale progetto sostanzialmente eguaglia quello originale del presidente Wilson con alcune parti modificate.

Con tale progetto di compromesso la linea famosa di Wilson verrebbe spostata in guisa di assicurare la difesa di Trieste; Abbazia ad essere di Fiume passerebbe sotto la sovranità dell'Italia; il porto sarebbe amministrato dalla Società delle Nazioni, ed il sobborgo di Sussek verrebbe assegnato alla Jugoslavia.

Ad eccezione delle isole di Lussino e Cherso, situate nel golfo Quarnero, tutte le altre isole sarebbero assegnate alla Jugoslavia. Anche in Dalmazia andrebbe alla Jugoslavia, all'infuori di Zara che sarebbe eretta in governo autonomo.

Roma, 4 giugno.—La riapertura della Camera è stata definitivamente fissata per il 9 corrente. L'ordine del giorno reca: "Comunicazioni del Governo."

In quanto alla situazione parlamentare essa rimane ancora incerta. La costituzione eterogenea del nuovo Gabinetto che comprende cattolici e massoni è il vizio principale del terzo Gabinetto Nitti. A ciò si deve aggiungere

la recente "gaffe" di Nitti nel giustificare gli arresti operati in danno di Fiumani e Dalmati residenti in Roma, avvenuti durante la notte del 21 maggio scorso.

In quanto all' "Enciclopedia Papale" continua ad essere oggetto di larvati complotti da parte dei principali giornali della penisola. Il "Tempo" dice che essa segna una data storica tanto per l'Italia quanto per il Papato.

Il "Giornale d'Italia", dopo aver dato plauso al Vattiano per la sua larghezza di vedute nel rilevare l'avvenuto mutamento, dice che la riunione papale è circondata da così alto prestigio nella sua forma, da così generosa solennità da circonda re la Santa Sede da una nuova aureola di grandezza e di gloria.

Rap Anglo-Japanese Alliance

London, June 4.—(By A. P.)—Renewal of the Anglo-Japanese alliance is being sharply criticized by the Australian press, says a Melbourne dispatch. It is suggested the terms of the alliance should include a provision which would prevent Great Britain from being dragged into a possible war between China and Japan, and newspapers there are insisting upon the right of Australia to control domestic legislation.
