AMERICAN HITS PRINCE
Resents Suicide Joke Played on
Wealthy Widow in Paris
Paris, June 7.—Prince Vladimir
Cautucazeanu was given a genuine
American uppercut on one eye by the
host of a wealthy United States citizen
because the prince is alleged to have
played a suicide joke on a wealthy
Parisian widow, his fiancée.

The prince, it seems, declared an in-
vitatory to a dinner given here by
Aimes Gouraud, the widow, and later
sent a companion to her with word that
he had killed himself. An American
learned of the hoax and punched the
prince.

Spa conference would be postponed
until July was given here today. In all
probability there will be a discussion
among representatives of the allied
governments at a conference in London
before the Spa gathering.
