STRAWBRIDGE & CLOTHIER PHILADELPHIA

The above is a reproduction of a half-page advertisement that appeared in "Women's Wear," New York, to which we are receiving many responses. Of course, we had the hearty co-operation of manufacturers, especially in fabric and apparel lines, long in advance of the Anniversary Sale, many of whom have made even more liberal concessions since the Sale started. But this is an invitation to all manufacturers in these lines to bring to us any seasonable lots they may have for quick disposal for cash, and that measure up to our standards.
