We recognize the justice of collective bargaining as a means of promoting good will, establishing closer and more gress. The transportation act of 1920 lious relations between employed and employes and realizing the true to their owners is indorsed as a "mos

The strike or the lockout, as a means of settling industrial disputes, inflicts such loss and suffering on the comnunity as to justify government intiative to reduce its frequency and its consequences.

We dony the right to strike against he government : But the rights and inrests of all government employes must safeguarded by impartial laws and

In public utilities we favor the establishment of an impartial tribunal to make an investigation of the facts and to render a decision to the end that be no organized interruption of service to the lives and health and welfare of the people. The decisions of the tribunals to be morally; but not legally, binding and an informed puble sentiment be relied on to secure their acceptance. The tribunal, however, should refuse to accept jurisdic-tion, except for the purpose of investion, as long as the public service be rrupted. For public utilities we ar the type of tribunal provided for the type of tribunal provided for nterrupted the transportation act of 1920. In private industries we do not ad-ocate the principle of compulsory arpocate the principle of compulsory ar-pitration, but we favor impartial com-mission and better facilities for volun-tary mediation, conciliation and arbi-tration supplemented by that full publicity which will calist the influence of

an aroused public opinion. The govshould take the initiative in aviting the establishment of tribunals r commissions for the purpose of vol-intary arbitration and investigation 相目の

We demand the exclusion from infistate commerce of the products of of that department being condemned as wict labor inefficient High cost of living is treated as fol-

ands.

High cost of living is treated as fol-lows: The prime cause of the "high cost of living" has been, first and foremost, chasing power of the dollar, due to a gross expansion of our currency and some taxation, swollen profits and the have been for stated buying power a fictitious but enlarged buying power fictitious but enlarged buying power ave been contributing causes in a ave been contribution genter or less degree. We condemn the unsound policies of federal assistance to natives is favored.

administration which ave brought these things to pass and attempts to impute the conseuch of the injury wrought is irrepara-e. There is no short way out, and we celine to decrive the people with vain sponsible government is established. or quack remedies. But as is political party that throughout its striking illustration of his disregard of istory has stood for honest money and the lives of American boys and of must have been plotted or analyzed to the lives of American boys and of ound finance, we pledge ourselves to arnest and consistent attack upon the the cost of living by rigorous avoidance further inflation information and anter the solutions declare, this coun-try would have to send 50,000 American The cost of living by rigorous avoidance of further inflation in our government, borrowing, by courageous and intelli-and currency, by encourageemnt of heightened production of goods and profits, by exercise of public economy and stimulation of private thrift and by Mabel L. FINE SUGAR SHARKS \$3500

Wholesale Grocers Convicted Profiteering in West Virginia

Charleston, W. Va., June 11 .- The Schon-Stevenson Co., wholesale gro-cery concern, of Huntington, was fined \$35,000 yesterday upon conviction of profiteering in sugar in federal court here. Judge Pritchard said he was imbeaviest fine the Lever Law permitted.

New York, June 11.—Rationing of sugar as in war time will go into effect in hotels and restaurants throughout the country on June 21, Armin W. Riley, special assistant to Attorney General Palmer, said here yesterday.

Copenhagen, June 11.—The Danish steamer Frederik VIII, with many pas-sengers, left for New York yesterday manned by a volunteer crew. The sea-The seamen's strike has tied up Danish shipping for some time, and the Frederik VIII is the first vessel to leave Dento a dark suit. But the camouflage wouldn't work. He got through four lines of "Hail. Hail the Gang's All there?" with a brave starger by the hand

> **Chicago Convention Hit** Hard by Torrid Heat

Chicago, June 11 .- (By A. P.)-Continuation of the heat wave which has enveloped Chicago for the last two days officially was forecast for today. The highest temperature yesterday was 92, a record for 1920, and led to comparisons with weather conditions at the last Republican convention here in 1916. when it rained for sixty consecutive hours, a record for Chicago.

One death from heat, the first of the year, and three prostrations were reported yesterday.
