CLUB TO SUPPORT REPUBLICAN TICKET

Manufacturers' Organization Declares Harding and Coolidge Ideal Types to Head Nation

LAUDS OLD PRINCIPLES

Hearty indorsement of the Republican party ticket in the presidential election next fall was given by the board of directors of the Manufacturers' Club last night.

Senator Warren G. Harding, of Ohio, and Governor Calvin Coolidge, of Massachusetts, were declared to be the ideal type of candidates to carry the party to victory.

In the reasons given for supporting these two nominees, their qualifications are set forth in the following terms:

"These nominees, nationally known, respected and admired for their vigorous, virile adherence to the finest standards of personal honor, political integrity and experienced statesmanship, were made the standard-bearers of their party by a convention singularly free from taint of oppression or prearranged program."

The two nominees are lauded for accepting the Republican platform, which is spoken of by the directors as "a historic document of uncompromising Americanism."

The present Democratic Administration was condemned as an "unrestrained and arrogant autocracy, which has weakened the power and diminished the prestige of the government, plunged the country into vast and unnecessary debt, and harassed industry and stifled national prosperity."

The resolution, copies of which will be sent to the two candidates, and to the chairman of the Republican National Committee, follows:

"Therefore, be it resolved, That we, the board of directors of the Manufacturers' Club of Philadelphia, seeking that which shall be of the greatest good to the greatest number, loyal in our patriotism, steadfast in our fealty to those principles under which our country has grown and prospered from its earliest beginning, and earnest in our belief that right is above all miscredited might, do hereby place our hearty indorsement upon the candidate and the platform of the Republican party, and do unqualifiedly commend them to the active and energetic support of our fellow members and our fellow citizens throughout the city, state and nation."

Honorary Degrees Conferred

Dean Andrew W. Fleming West, of Graduate College, conferred the honorary degrees upon the twelve special visitors. This ceremony immediately preceded the granting of academic degrees by President Hibben to the graduating class.

All the men who received their diplomas in Alexander Hall were in some form of army or navy service during the war. Six members of the class lost their lives while engaged in active service, and the membership of the class has been depleted from 350 to 250 of its original number. All of the men who are graduating from other classes, including one former member of the class of 1912, have been prevented by war service from taking their degrees earlier.

The class contains many prominent athletes whose loss will be felt in all branches of sports here. Chief of these is "Maury" Trimble, captain of the baseball team and star halfback on last fall's football team. Trimble comes from Ben Avon, Pa. Another man whose loss will be keenly felt is J. K. Strubing, Jr., of Philadelphia, who has been a member of the baseball team for three years, and played quarterback on last fall's football team. He also was president of the Varsity Club.

The baseball nine loses Blair Lee, the fleet right fielder, and "Dave" Winton, who was prevented from playing in the big games of the year because he was compelled to undergo an operation for appendicitis.

The annual commencement meeting of the Phi Beta Kappa Society resulted in the election of eighteen new members to the Princeton chapter as follows:

H. R. Baunyell, Oradell, N. J.; R. E. Butler, Palisade, N. J.; J. G. Campbell, Philadelphia; H. S. Dimmitt, Denver, Col.; J. F. Kennedy, Kansas City, Mo.; W. P. Hampton, Wilmington, Del.; W. I. Harris, East N. J.; P. R. Lee, Silver Springs, G. Miles, Asheville, N. C.; H. K. Wilmington, Del.; E. H. Richwood, G. A. P. Smith, Charles S. M. Stevenson, Meriden, Conn.; R. H. Tinsman, Kenilworth, Ill.; O. J. Toland, Wynnewood, Pa., and E. L. Hansen, Princeton, N. J.

STATE COLLEGE ALUMNI HAVE DAY OF FUN

State College, Pa., June 15.—The campus was gay with the largest commencement crowd that ever attended the annual alumni day doings at Penn State today. One of the features of the alumni parade this afternoon was the stunt staged by the graduating class, a mock presidential campaign in which the "impossible" candidates were boosted by placard and humorous antics. Personalities representing Debs, Ford, Bryan and Root were cleverly made up and the "dark horse" was a real thoroughbred from the college stables decked in curtains.

Removal of the curtains in front of the grandstand just before the baseball game with California showed the name of "Butch" McDevitt, the famous "millionaire-for-a-day." Mary Pickford was the choice of the women graduates, and she was cleverly represented—curls and all—by Miss Elizabeth Ewing, of Lewistown. "Mary" had a lamb labeled "Doug," and both made a big hit.

Phi Kappa Phi, honorary scholastic fraternity, initiated twenty-three new members from the graduating class. Thomas E. Finegan, state superintendent of public instruction, made the address, and also spoke to the alumni at their annual meeting this morning. The Thespians will present their annual production, "A Pair of Sixes," tonight and the commencement exercises will take place tomorrow morning. The first scholastic honors for the class of 1920 were announced today as follows:

Charles H. Berle, Newark, N. J.; Walter L. Brooke, Halifax; Donald S. Cryder, Tyrone; A. R. Ely, Dover, N. J.; Kenneth V. Everitt, Lewisburg; A. W. France, Philadelphia; Walter L. Funkhouser, Butler; William J. Galbraith, Williamsport; Miss Margaret E. Grove, Bloomsburg; George V. Hallman, Philadelphia; Roy J. Handwerk, Slatington; Mrs. Carrie B. Hibshman, State College; David E. Keller, Centralia; Paul N. Kistler, Steelton; Miss Elizabeth McWilliams, Elysburg; Joseph B. Maginnis, Girardville; C. W. Moore, State College; Miss Esther Mae Ranck, Joanna; Miss Agnes P. Sanders, Irvona; Raymond F. Schlaanstine, York; Lawrence D. Smith, Bethlehem; Alfred H. Staud, Pittsburgh; Floyd T. Tyson, York; T. E. Weaver, Renovo, and George S. Wykoff, State College. Staud is the class valedictorian and will deliver the only address at the commencement exercises.

LEHIGH GRADUATES ITS LARGEST CLASS

Bethlehem, Pa., June 15.—One hundred and thirty-six young men, comprising the largest graduating class in the history of Lehigh University, received degrees at commencement exercises held this morning in Packer Memorial Church. The class included many students who returned to complete their courses after service in the army and navy during the war. Twelve states and five foreign countries—China, Siam, Brazil, Colombia and Mexico—are represented among the graduates. The honorary degree of master of arts was conferred upon Warren A. Wilbur, of Bethlehem.

This will be the last class to receive degrees from the hands of Dr. Henry Sturgis Drinker, who is retiring from the presidency, giving as his reason that he this year reaches the age of seventy.

The alumni address to the graduating class was delivered by Raymond Walters, '01, registrar and assistant professor of English, who during the war was registrar of the field artillery officers' training school at Camp Taylor, Ky. Professor Walters's subject was "Action and Reflection."

The Wilbur scholarship of $200 was awarded to E. P. Gangewere, of Chattanooga, Tenn.

P. M. C. EXERCISES TODAY

Franklin D. Roosevelt and William I. Schaffer to Be Given Degrees

Commencement exercises will be held today at the Pennsylvania Military College, at Chester. The exercises will begin at 3 o'clock this afternoon.

Franklin D. Roosevelt, assistant secretary of the navy, will be honored by a degree, as will William L. Schaffer, attorney general of Pennsylvania. Among those to attend the ceremonies is Captain R. K. Carter, of Baltimore, the oldest graduate, a member of the class of 1867.

The institution has been named one of the "ten distinguished military colleges of the United States" according to word received from Washington by Charles E. Hyatt, president of the college.

EASTMAN GIVES $1,000,000

University of Rochester Benefactor Adds to Previous Large Donations

Rochester, N. Y., June 15.—(By A. P.)—A gift of $1,000,000 by George Eastman for the School of Music of the University of Rochester was announced at the meeting of the board of trustees of the university this morning. It also was announced that the general education board had given $200,000 toward the $1,000,000 endowment sought by the university for a teachers' salary fund. The university has already raised $350,000 of the fund.

Mr. Eastman has already given in excess of $3,500,000 for the School of Music. Last week he gave $4,000,000 and the dental dispensary he had established here toward a school of medicine and surgery for the university. To this gift the general education board added a gift of $5,000,000.

One Dead, Many Hurt in Car Crash

Toledo, O., June 15.—One person is dead, three severely injured and more than a score of others slightly hurt late yesterday when a Lake Shore electric car struck a motortruck at Genoa, fifteen miles east of this city. W. H. Jones, of Norfolk, Va., was killed instantly when the car turned on its side after striking a telephone pole.

MURPHY BACKS COX TO DEFEAT M'ADOO

Tammany Chief Finds Palmer Unacceptable and Governor Edwards Impossible

BOOM IS STARTED IN OHIO

French Lick, Ind., June 15.—Scorekeepers of the merry game of hide and seek being played by Democratic aspirants for the nomination are gathering here. Democratic bosses from all parts of the country are hieing to the menage of one Thomas Taggart. But the matter of keeping score is being complicated by the fact that the line-up is still unannounced.

Governor Alfred E. Smith, of New York, has been here for the ostensible purpose of golfing. Of late he has had a fellow player in the person of Charles F. Murphy, of Tammany Hall. With Mr. Taggart they have been discussing the difficulties of the game. One thing seems clear. Murphy and Smith intend to rule McAdoo out of the running. They say that he was not very nice in ignoring Tammany patronage while a cabinet member and that they believe the "crown prince" idea will be brought against him, not only by the Republicans in the event of his nomination, but also by opponents within his own party when the convention meets in San Francisco. To this end the governor of New York and the boss of Tammany are said to have perfected plans by which the New York Democrats will not indorse McAdoo's candidacy. But beyond these brief facts those interested in the game are being kept in the dark.

Opposed to Palmer

Knowing that Murphy and Smith will never support Attorney General Palmer because of his administration connections and that Governor Edwards, of New Jersey, is impossible, they have come to the conclusion that Governor Cox, of Ohio, is the man that the New Yorkers are going to back against their own favorite sons. This line of reasoning being a pretty good one on the face of it, Democrats of high and low degree have gone away from here pretty well convinced that Cox is the one best bet against McAdoo, the favorite, men like Senator Owen, Senator Hitchcock, Senator Simmons and Senator Hoke Smith having been eliminated from the start.

An enthusiastic boom for Governor Cox may be looked for then as the next important event in the Democratic calendar. It will be a real boom, too, of good size proportions. For when the old line Democrats start anything they usually start it right.

It is too much to say that Tammany Hall and Taggart and the rest have formed an active combination to put Cox over. As a matter of fact, Taggart is tending strictly to his own knitting and refuses to become involved in the thing one way or the other. He will be for Marshall if Marshall will let his name go before the convention.

McAdoo Regarded Favorite

The dozen or so lesser lights among the Democrats here do not deny that McAdoo is the strong favorite at this time and that he will walk off with the Democratic nomination unless he is stopped. They realize that fact from the start and may be depended on henceforth to wage just that much stronger campaign against McAdoo and for Cox.

As part of their campaign they may be expected to encourage the favorite sons just as much as possible and to bring out other favorite sons wherever possible to prevent McAdoo's amassing such strength at the start that it might be hard to head him off. They want him to go out in the front from the start, but they are trying to prevent him from going too far, and they plan, through the medium of many ballots, to force the McAdoo backers to concede that he cannot be nominated and then to trot out the Ohio governor and win with him.

On the basis of this campaign Cox may not have many backers at the start, according to the official ballots, but when their time comes there will be a concentration in his favor by the old-timers which is planned to sweep the McAdoo managers off their feet.

So far the anti-McAdoo plotters see but one flaw in their plan. That is that McAdoo might whirl into the nomination on two or three ballots, and that is the thing they are afraid of now. They firmly believe that if they can prevent McAdoo's nomination for seven or eight ballots they can dispose of him with ease.

Columbus, O., June 15.—(By A. P.)—Now that an Ohioan has been chosen the standard bearer of the Republican party, Ohio Democrats are redoubling their efforts to obtain another honor for the Buckeye state by having Governor James M. Cox selected by the San Francisco convention as the one to carry the standard for their party.

No sooner had Senator Harding's nomination been assured than former Governor James E. Campbell, an Ohio delegate-at-large to the Democratic National Convention, began preparation of a circular letter to all Democratic delegates setting forth why Governor Cox should be nominated at the San Francisco convention.

"Governor James M. Cox can carry Ohio. What other candidate can match this certainty with even a probability?" the letter declares.

MAYOR POKES FUN AT SELF

Moore at First Band Concert Refers to Chicago Speech

It is estimated that 5000 persons attended the first open-air concert of the recently formed Philadelphia Band last night on the occasion of the opening of the municipal bandstand at Broad and Arch streets. They enjoyed a fine program, into which a bit of jazz was injected by Mayor Moore, who delivered a short speech prior to the first number.

"Without music there can be no harmony," said the Mayor, "and without harmony there can be no good citizenship. The people of Philadelphia need this kind of good entertainment; I am glad the city is giving it to them."

Here the Mayor paused an instant and then concluded:

"Well, this was a very short address. It was considerably shorter than the one I made in Chicago. I hope it will have much better effect."

CRAGO BEATEN BY 4000

The complete vote is: Burke, 386,319; Garland, 451,010; McLaughlin, 306,845; Walters, 275,467, and Crago, 271,288. John O. Sheatz, a former state treasurer, who ran independently, received 164,724.

J., June 15.—In efforts to maintain the sweet potato acreage in Camden county and to overcome the high cost of fertilizer the Camden county Board of Agriculture is conducting demonstrations in fertilizing sweet potatoes that promise results for growers. These demonstrations are being conducted by Oscar Battelle, of Waterford, and F. E. Priestley, of Elm.

BUTLER DECLARES HE DEFEATED WOOD

Thwarted Gamblers by Preventing Nomination of General, He Asserts

SEES PARTY HONOR SAVED

New York, June 15.—Charges that a "motley group of stock gamblers, oil and mining promoters, munition makers and other like persons seized upon so good a man as General Wood and with reckless audacity started out to buy for him the presidential nomination" were made in a statement given out here by Nicholas Murray Butler, an unsuccessful candidate for the Republican nomination.

"It was the cause of genuine sorrow for me, as to many others of General Wood's personal friends," he said, "to see him put in this unhappy position. There was nothing to do in order to save the Republican party but to defeat the band of men that were behind him with their bank accounts and their great financial influence. This meant that we had to defeat General Wood himself.

"The forces that were defeated in their insolent attempt to buy the nomination," he added, "represent all that is worst in American business and American political life. It is really too bad that they hit upon General Wood as their choice. They should have found some one to support for whom the country has less respect and less regard."

"The chief task of the convention," the statement said, "was to prevent the sale of presidential nominations at auction to the highest bidder. Had this not been done, the party faced not only certain defeat, but crushing dishonor. The sixty-eight New York delegates who voted for me on the first ballot were the chief factor in stopping the Hindenburg drive to overwhelm the convention by the power of unlimited money and by strong-arm methods in preferential primaries."

The statement declares that the New York vote for Lowden gave the Illinois governor the lead on the fifth ballot and that New York, by giving Harding sixty-six votes on the ninth ballot, became the decisive psychological factor.
