The suffragists, to whom some strong appeals will be made by the guerrilla leaders. are thinking chiefly of the gote.

If one of these independent groups s right in its general views, then all the others are wrong. And if either crowd elected the President of its choice what would become of the rest of the

The fact is that the experienced guerrilla leaders desire only to harass and warry the more powerful among their pponents. Their aim is to contribute saft and seasoning to the political philosophy of the United States. They do: this, and do it well. There is no theory of modern politics that has not some gluance of light in it, and as campaign follows camenian the older parties absorb a little of new wisdom here and a little there, and in the process neutralize. elements that in the raw are dangerous

Gompers, Barah, Johnson and Bryan result will stay in the big processions. So will La Follette. They know that they will move thereby. They have something to gain. The man who is his own parade is the one who, for one reason or another, is willing to lose and lose everything. The old parties know that it is easier to get into a mess than to get out of it. The new parties don't. they cannot understand why the old parties prefer to go slowly about all

### SENATE AND PRESIDENCY

HOSTILE critics have been saying that the momination of Mr. Harding was brought about by a group of senators who wished to lift the Senate into a position of dominance in the government:

that Mr. Harding is a member of the Senate and upon his support by certain friendly colleagues. The situation is interesting, not be-The situation is interesting, not be-cause of any effort of the senators to argued that Harding had been conmagnify their office, but because it has

revented the nomination of any member

of the Senate for the presidency. Conventions have been in the habit the House of Representatives or former enators. The nearest parallel to the Four, omination of Harding occurred in 1880, out of the way. when Garfield was named. He was a metaber of the House of Representatives, but a few months before the convention met he had been elected to the

Eight years later Benjamin Harrison Whith comes that the leader of Tambar Mark Hall is conspiring with others to prevent the nomination of Mr. McAdon in San Francisco.

The Tambary leader seems to be unaware that his corposition to a cambidate is sure to will subject the consequence of the fifth party or the sixth. But there is no reason why all of them is always the best of the fifth party or the sixth. But there is no reason why all of them is always to the fifth party or the sixth. But there is no reason why all of them is always to the fifth party or the sixth. But there is no reason why all of them is always the care the convention met. Cleveland never had any legislative experience. Neither had Tuft nor Wilson. Roseveth had served two terms in the New York Lack proves the fact that sandled the twenty years before he was elected as the scape dotted. There is a large section of the other shouldn't be cheered for a ninth. Each will be in some way animates by the energy, the enthusiasm and the sincerity of virie minorities. Fervent voices will be in some way animates by the energy that Tammany opposes. When Tammany swung to Champ Clark in the animatic size of the minorities. Fervent voices will speak for them. Harding and Coolidge exemplify the Senate for more than a year before the experience. Neither had no lead the break for the New York Lardy and the way should not be sincerely well-caned or why there is no reason why all of them had been proved to the presidence of the final play.

The fourth party will not go first. When the fifth party or the sixth. But there is no reason why all of them had been seemed to be a subject to the persidence. Neither had no lead the break for the Senate had any legislative experience. Neither had proved two terms in the New York Lardy was a member of the Harding. Kansas was selected as the scape data to the final play.

The fourth party will despect on the lead the break for the Senate had the final play.

The fourth party will not go state the first had two the same constitive for wars, but it was necessary presiding officer ordering Mr. Lodge was nominated, but he had been out of one delegated to do the work, staged very real service to their countrymen because they will keep the older fash-land politicians keyed up and on their president. Her Armor

There was a vast amount of criticism of Pennsylvania and her course in the last two convention days. None of it was justified.

It came from leaders of delegations were fighting for a lost candidate and they knew it. They were angry, disappointed and disgruntled because Pennsylvania did not smash her line and destroy her chances in a vain effort to put their man to the front when they no chance of success.

TENERAL LEONARD WOOD was G the popular favorite for the nomi-nation, judged by gallery sentiment. The Wood people were the most bitter critics of Pennsylvania. If Pennsylvania had turned in for

Wood on the fourth ballot, when he was ending the field, there would have been need for nine ballots," said an arent Wood follower.
And that was the sentiment, I dis-

vered, that generally prevailed in the

Wood camp. But it was an erroneous If Pennsylvania, at any time before delegation broke up on the ninth ballot, had attempted to swing her vote to any particular candidate she would have dissipated her strength and gained othing but the derision of the practical politicians, the denunciation of every

in the hands of a lot of amateurs. The combination opposed to Wood of the underlying companies is that they was so powerful and tenacious that Pennsylvania could not have altered the at any stage, Besides, only a fraction of the Pennvivania delegation were for Wood: the
