## EVENING PUBLIC LEDGER-PHILADELPHIA, THURSDAY, JUNE 17, 1920

Safe Deposit Boxes at Extremely Reasonable Rentals

> No amount of insurance can adequately compensate for the loss of family silver, jewels and valuable papers; and many securities, such as Liberty Bonds, are almost as readily negotiable as money.

> A private box, in our bomb-proof, armorplate vaults, may be rented for as little as five dollars per year. For the storage of silver, paintings and larger articles, a storage vault offers space at a moderate rental. This Company operates its own automobile, insuring prompt service and safety in transit of trunks, silver and other articles for storage in its vaults.

We cordially invite inspection of the Safe Deposit Department, which includes rooms where papers may be gone over in comfort and privacy. For the convenience of ladies a well-appointed writing and rest room is provided.
