Prettier and Prettier Grow Summer's Dresses and Their Prices Are Wonderfully Low in Wanamaker's Down Stairs Store

Between \$5 and \$7.50 There Are Literally Hundreds of Pretty Summer Frocks—Think How Little That Is After Making the Deduction of 20 Per Cent!

Voile Dresses Start at \$4.50

for figured frocks in light and dark colorings. You'll be amazed at the great variety among the moderately priced dresses in dark Georgette patterns and polka dots—any number of interesting models at \$6.25, \$6.75, \$7.25, \$7.50 and upward to \$12.

A Special Group of Fine Voiles, \$13.50

These materials are very fine and the colorings are dark and rich. In some, plain-colored voile is used most effectively as trimming.

Silk - and - cotton crepe dresses in dark gray or navy blue are sown with little rose-color sprigs and most becoming to women in their middle years.

Gingham Dresses at \$5

are in the model sketched. They are in navy blue, light blue or pink checks and have a long roll collar of white organdie. The 20 per cent deduction brings the price to only \$4.

\$7.50 \$11.50 \$16.75

Gingham Eton Dresses, \$6.25

The little jacket, skirt and sash are of checked gingham, and the vestee and collar are of crisp white organdie. It's a new style and very becoming to young women.

Hundreds of Gingham Frocks at \$7.50

Here are plaids and checks of every size and color that you ever heard of in gingham. Many are trimmed with white pique, some have big, fluffy sashes, others have fresh touches of white organdie. There are frocks with brown, red, black, blue, lavender, navy, green and pink checks and plaids.

Young Women's Sample Dresses, \$13.50, \$16.50 and \$16.75

These are the loveliest ginghams that you can imagine. Of a silky fineness, they are often combined with very sheer white organdie. Others are made of plain color or figured voiles trimmed with many tiny ruffles of white organdie. Dotted Swisses, too, are among them. Every dress is of exquisite material and the styles are especially designed for young women wearing sizes 14 to 20. Hardly more than three dresses of any one kind.

\$13.50 \$5 \$25

Foulard Dresses, \$25 and \$27.50

They're in the colors that nine women out of ten want—navy-and-white, navy-and-gold and black-and-white. Some are trimmed with black velvet ribbon, and there is a pleasing variety of overskirts.

For Those Who Like the Softness of Georgette

there is a wealth of choice and in the most delightful pastel tints, cool and refreshing, as well as in black and navy blue for street wear.

The dresses at \$16.50 and \$20 are beaded with big white beads. At \$25 there are dresses trimmed with deep folds of Georgette. At \$27.50, pale-pink Georgette is combined with many bands of creamy lace. So it goes upward to \$42.50 for handsome gowns that are heavy with crystal beads, mostly beautifully applied.

Dresses in Large Sizes

can be had in figured and polka-dotted voiles at \$7.50, \$7.75 and \$8.75. The dresses are cut on straight and simple lines and are generally in the darker shades. They are in sizes up to 53.

\$16.50 \$7.75 \$6.25

Dainty New Blouses at \$4.50

(20 per cent to be deducted)

Of fine batiste, voile or dimity, the exceptional quality of the workmanship and finish is in keeping with the fineness of the materials. The new roll collars are in evidence and some of the blouses are finished with narrow edgings of imitation filet or picot crochet. Others are finished with hemstitching.

The blouses fit well across the shoulders, and cuffs are delightfully dainty and snug. All of the blouses are cut to extend below the waistline, as so many women like them to.

Women's Accordion-Pleated Taffeta Skirts, \$5.75

Cool Summer skirts of checked taffeta in a number of color combinations—green, navy, purple and black-and-white. They are very light in weight and will be most comfortable on even the hottest days. Skirts of silk-and-cotton poplin, with hairline satin stripes, are in white, taupe and gray. Also \$5.75.

White Tub Skirts

start as low as 90c and there are good, serviceable knockabout skirts in various models at \$1.25, \$2.50 and \$3.25. At \$3.50 to \$7.50 there is wonderfully wide choosing among beautifully tailored skirts of gabardine, cotton ramié and linen. Most of the skirts are cut on simple lines—which launder best—and are trimmed with pearl buttons.

The 20 per cent deduction is to be considered on each purchase.

Beautiful Voiles—Unusual Value at 50c a Yard

(Less the 20 per cent deduction)

"They're wonderful" is the comment of women who buy dozens of yards. We know that they are the best that we have had this year. Dark greens, navy with gold, blue or black with white and the lighter voiles make great variety. As well as the large Georgette and foulard patterns, there are the small figures that older women like. 38 inches wide.

Women's Pumps—Special at \$6.90 a Pair

(Less the 20 per cent deduction)

Black or tan calfskin with welted soles and medium heels. Black patent leather with turned soles and high or baby French heels.

Cretonnes for Summer Gayety, 35c, 45c, 60c and 75c a Yard

Designs and color combinations are myriad and there are plenty of the cool, light grounds. 36 inches wide.

Terry Cloth at \$1.25 a Yard

is unusual value. It is splendid quality and is reversible, you know, making especially attractive draperies between rooms. The colors and patterns are lovely. 36 inches wide.

Window Shades

In tan, white or green, they are 95c and \$1.50 each, the rollers on which they are mounted and the necessary small bits of hardware being included.

Mosquito Netting, \$1.85 a Piece

It is 58 inches wide and 8 yards long, in white or black.

Couch Hammocks, \$11.50 to \$33.50

Prices go gradually upward—\$15, \$16.50, etc., and the hammocks are comfortable, have a good appearance and are durable. (20 per cent deducted from these prices at time of purchase.)

Pretty House Dresses of Voile

\$3 for a blue, black or pink check voile, smocked in color and topped with a white collar. \$3.85 for a black, blue, lavender or pink figured voile. The round collar and cuffs are of white organdie finished with pleated ruffles, and there is a similar ruffle on the skirt.

Dainty Tub Frocks For Miss 2-to-6 \$2.25 to \$4

There is opportunity of choosing at every price—\$2.25, \$2.50, \$2.75, \$3 and \$4, for there are various cunning styles. The colors are tan, pink, blue and green, and the dresses are all of plain-color gingham trimmed with white, with checks or with color.

A Little Sale of Hand-Made Laces

Cluny Laces, 18c to \$1.75 a Yard

Edgings and a few insertions in a great many patterns, 1 to 6 inches wide. These are excellent for fancy linens, curtains and bedspreads.

Irish Picot, 18c a Yard

This is in high favor to trim underthings, women's blouses and children's dresses.

It's a rare opportunity for women who have been looking for these things, now that Summer's sewing is in full swing. The 20 per cent deduction brings prices even lower.

Double-Panel White Petticoats at \$3

These are made of fine, smooth longcloth, with pretty embroidery for the flounce. Other white petticoats of soft white nainsook with pretty flounces are \$2 and \$2.50.
