PURE FRESH PAINT Believe Me

 "Save the Surface"
 You've read this phrase in leading magazines and newspapers. Why is the "surface" so important? Simply because Time and Weather can't hurt buildings if their "surfaces"—outside and inside—are well covered with good paint!

Touch Tender Spots With Cuticura After Shaving
 After shaving with Cuticura Soap the Cuticura way, without mug, gently rub tender spots on face or dandruff on scalp with a bit of Cuticura Ointment. Then wash all off with Cuticura Soap and hot water. Rinse with tepid water. Finally dust on a little Cuticura Talcum.
 Cuticura Talcum is an antiseptic, prophylactic, soothing dusting powder of delicate, fascinating fragrance. 25c. everywhere.

OUR new building is spacious and impressive, incidentally, but only so. Practically, it is designed to give better service and greater convenience. More receiving and paying tellers, more consultation rooms, etc., these are the things that save your time—and its proverbial equivalent. Helpfulness and courtesy are also in the corner stone.

Open Monday and Friday
