CALCULATION OF THE OWNER

Asserts Statement on Civil Serv-

ice Attributed to Doctor Grammer Is Untrue

MAKES DICTATED REPLY

Mayor Moore asserted today the Rev. Dr. Carl Grammer, rector of St. Stephen's Episcopal Church, stated what was not true if he declared the Mayor was opposed to civil service in

day, was quoted as criticizing the Mayor and stating that the administration

should provide clean streets, better pay for school teachers and a thoroughly efficient administration. Mayor's dictated reply follows:

The Mayor's dictated reply tonterial "I do not like to see a ministerial conference misled even by a member of the cloth, who ought, above all other men, to tell the truth, but I would say to my friends of the Baptist conference that if they wish to listen to addresses such as Doctor Grammer is reported to have made it would be well to call in the Mayor in order that there should be

no unwarranted misrepresentations. **Trouble With Employes**

"The Mayor has a great deal of trouble with the civil service and, be-cause of it, is unable to employ or discharge employes whose services may or may not be of value to the public. The Mayor does not have the power to govern the city under the civil service as a business establishment is governed

"If Doctor Grammer said what he is

opposed to civil service in the city of-fires, where he controls the appoint-ments,' then the reversed of appoint-

what is untrue. "The Mayor has said that the civil

service, which applies to city offices and thus prevents the Mayor from employing or discharging as the sees fit, should also apply to the county offices, which are in control of the contractor maand in which appointments and

discharges are made and increases of salaries allowed without regard to civil service;

Suggests Political Study "If Dector Grammer, who professes friendship for the administration, would the state index in the store. Despite her experience she was only slightly cut and bruised. After being attended at the Germantown Hospital study his political facts before he makes public statements that mislead, he would

probably not fall so willingly into the camp of those who have been doing as they pleased with city offices until Four Armed Men Excite Noonday the advent of the present administra tion. "If Doctor Grammer's solicitude for
