WHAT SHALL BUSINESS GIRLS WEAR IN THE SUMMERTIME?

The Educational Director of a Department Store Says That Men Do Not Like "Georgette Girls" in Their Offices

HOW should I dress for the office ities have their share. Dark colors with in summer?" asks a business girl white designs, plain dark shades of becoming colors and occasional light colors that give that very necessary who wants to do the right thing. colors that give that very necessary variety without getting dirty in about two hours, fill out the formula for sea-sible clothes for the business girl in I have some very important news for him. I would like to know how I could locate him, as neither of us has a home or relatives living. I am sure he does not know any more about where I am than I do about him, as I don't stay in one place very long at a time.

I have a distant relative to be married soon. We were like brother and slater when small. I want to know what kind of present I must send and how and when, as I don't know his flances or her address, either, It will be impossible for me to be present at the wedding.

Sibly. No, that doesn't mean wear common-sense shoes, dark, thick dresses and will who hours, fill out the formula for sensible clothes for the business girl in other uninteresting things. It means there going to a garden party. It means wear voile dresses, or gandie dresses, gingham dresses. It means wear white shoes and stockings. It means wear white shoes and stockings. It means have the dresses made/in the latest style—but it means have them suitable for office wear.

I have a continuous like to know how I could locate him, as I don't stay locking as if you were going to a garden party. It means wear voile dresses, or gandie dresses, or gandie dresses, gingham dresses. It means wear white shoes and stockings. It means wear white shoes and stockings. It means have the dresses made/in the latest style—but it means have them suitable for office wear.

I have a contraction of the formula for the business girl in other uninteresting things. It means wear to a garden party. It means wear voile dresses, or ganden party. It means wear to be dresses, or ganden party. It means wear to be dresses, or ganden party. It means wear to be dresses, or ganden party. It means wear to be dresses, or ganden party. It means wear to be dresses, or ganden party. It means to can without metring dirty in about the follows.

"A man does not like a foolish, frit-tery girl about his office," says an the powder boxes I refer to. To prove my point there are many women who prefer a loose powder to a compact off Yet the designer of the ordinary vanity

educational director of a large department store, "A girl's costume should not thrust her upon his notice. He may not thrust her upon his notice. He may like to go out with a georgette girl after business hours, but in business hours he wants to think about business. A girl is dressed well for business when she wears dressed well for business when she wears almale stylish dress that is becoming

dressed well for business when she wears a simple stylish dress that is beaoming but unobtrusive. Modish but not exaggerated in style. Thin georgette blouses are not businesslike."

A girl in a business office has a special mission during the summer. That mission is to look as cool and comfortable as possible. A man has to wear his collar and his coat no matter what the weather, and he wants everything powder and shuts the holes. Thus the present whereabouts better through the Legion, although, of course, it will take some time.

Thy dor, you write to this cousin, and sak him for his fiancee's address, and his coat no matter what his fiancee's address, and his coat no matter what the fellows a possible him for his fiancee's address, and his coat no matter what the weather, and he wants everything about him to suggest "coolth" as much the weather, and he wants everything about him to suggest "coolth" as much the weather, and he wants everything about him to suggest "coolth" as much the weather, and he wants everything about him to suggest "coolth" as much the weather, and he wants everything about him to suggest "coolth" as much the weather, and he wants everything about him to suggest "coolth" as much the weather, and he wants everything about him to suggest "coolth" as much the weather, and he wants everything about him to suggest "coolth" as much the weather, and he wants everything about him to suggest "coolth" as much the weather, and he wants everything about him to suggest "coolth" as much the present the follows that him to suggest "coolth" as much the present to the present the follows the him to be perfectly the weather, and he wants everything about him to suggest "coolth" as much the present the follows the

OF COURSE as soon as anybody says
"look cool." the flesh-color georgette crepe comes into mind. There's no deaying that it does look cool, and it is cool. As far as that's concerned the same could be said of chiffon, or silk net or tulle, or any other material that evening or afternoon frocks are made of or even the low neck and extremely short sleeves that are suitable only for any initial, which you could embroider an initial, which you could embroider evening. As soon as you say, "Look an initial, which you could embroider businesslike," though, the flesh-color yourself, you would have a beautiful businesslike." though, the flesh-color yourself, you would have a beautiful georgette crepe turns pale and modestly retires. The dark shades of georgette see for yourself that these prices are crepe are much more possible for business wear than the light ones, but some actually lower than the price you would ness wear than the light ones, but some-how you always feel that the wearer is bay for the same thing right in Belfast going to a ten or a garden party as itself. as she leaves the office, and soon as she leaves the office, and wouldn't have a chance to change her dress between times. White is the coolest and most comfortable thing to wear. but unless the business girl has a dif ferent dress for every day in the week she cannot wear white. It turns black

There is a way of keeping comfortable, looking cool, being suitably dressed for the office in summer. Simple, be-coming, modish styles de part of it. Voiles, organdies, ginghams and dim-
