

LEGION IS NEUTRAL ON LABOR DISPUTES

Statement by Commander D'Olier Received Here Makes Attitude of Organization Clear

NEW POST IS PLANNED

That the American Legion, with its 6000 posts throughout the United States, is committed to a "hands off" policy toward labor controversies is emphasized in a statement by National Commander Franklin D'Olier, just received here. It reads in part as follows: "The American Legion has taken a very positive stand that, as an organization, it should never take any definite part in any dispute between the employer and the employee, or between capital and labor. This policy shall be adhered to strictly by the national organization, state organizations and the posts as well."

Horan, has received the consideration of the county executive organization on several occasions. It will be transmitted to state headquarters for approval. The Benjamin Franklin Post No. 405 has a national delegate to the Cleveland convention. Maylin J. Pickering, vice commander of the post, who was chosen at the Allentown convention. He has been chairman of the state legislative committee and has represented it in important conferences here and in Washington.
