men and civilians near Strawberry Man-
sion, the one last night was said to
have originated from a quarrel between
one civilian and one sailor.
More than 100 men were soon in-
volved in the struggle, the contestants
milling their way over the main drive-
way and staging the main fight within a
very short distance of the Woodford
guardhouse.
The crowd was so great that the small
number of Park guards present could
not separate the fighters, and the civil-
ians and service men fought on until the
arrival of mounted patrolmen.
The fight was renewed a short time
later when civilians attacked a trolley
car loaded with sailors and marines
near the park. A riot call was sent
in and patrolmen were called from four

districts before the fighting was stopped.
Twelve men picked up after the riot
in a poolroom which the police raided
at Thirty-third and York streets had
a hearing this morning before Magis-
trate Oswald at the Nineteenth and
Oxford streets station. They were
fined \$10 and costs.
Lieutenant Craig, of the Twenty-
sixth and York streets station, said to-
day that he would double the number
of patrolmen on duty in the section
where the rioting occurred. Also, he
said, he would try to get a revocation
of the license held by the poolroom.
All those hurt were injured only
slightly. They are Patrolman Lewis
Cavath, of the Twenty-sixth and York
streets station; Samuel J. Hubbard,
John W. Dunn, James Gurt, Randolph

Martin and David Ascott, all service
men, and Philip Brown.
TWO HURT IN PLANE CRASH
Machine Careens Near Gloucester
and Then Hits Ground
Two men were hurt when the air-
plane in which they were flying near
Gloucester, N. J., careened while at a
low height, struck a telegraph wire and
crashed to the ground.
Burroughs Johnson, twenty-one years
old, of Lansdowne, pilot of the plane,
is in the Homeopathic Hospital. He is
suffering with a fractured leg and other

injuries. John H. Mead, the passenger,
was taken to the Cooper Hospital. Both
will recover. Mead is superintendent of
the Gulf Refining Co. station on the
White Horse Pike near Camden. His
home is in Blackwood, N. J.
Johnson was operating the machine
for Walter J. Flexon, of Gloucester.
It was used as a commercial plane.
JAILED FOR BEATING MOTHER
Romeo Pannano, eighteen years old,
718 Alter street, was arrested today
charged with beating his mother, Lucy
Pannano. Magistrate Coward sentenced
the offender to five days in Moyamensing
Prison.

PADDY GRAY FLEES AGAIN
Once-Noted Gambler Escapes Over
Roof After Raid
Paddy Gray is back again.
The oldtime gambler, whose promises
of reform have amounted to nothing,
is once more being searched for by
the police. He opened up a gambling
joint, according to the police, at 255
North Thirteenth street, and Detective

Charles Lee, of the vice squad, raided
it yesterday. Lee reported Gray and
several other men escaped over the
rooftops, but he expects to have them
within twenty-four hours.
Paddy Gray has fallen from his high
estate in the gambling fraternity. Time
was when his luxurious resort on Wal-
nut street, between Broad and Fif-
teenth streets, was patronized by men
of wealth and influence. None was
indeed. A card game and a crap table
high stakes.

Superintendent Taylor raided the
place just after New Year's, in 1911,
and Gray was held under \$25000 bail.
He became a fugitive from justice for
five years. When he returned he made
promises of reform and was placed upon
probation by Judge Patterson, in June,
1918.
According to the detective who
raided the latest joint alleged to have
been run by Gray, it was a sorry affair
comprised the layout.

"The devil was sick, the devil a monk would be.
The devil was well, the devil a monk was he."

Many men think of advertising as something
to be bought and applied in time of need and un-
necessarily in times of great prosperity.

In state-craft, they may preach national pre-
paredness but in their own business they are in-
constant.

Among great national advertising campaigns,
however, the successes grind like the mills of the
Gods—slowly but exceeding fine.

Do you suppose it makes the slightest differ-
ence to the public whether Campbell's Soup is
oversold a hundred million cans or undersold and
hustling for orders?

Week after week, month after month, year af-
ter year, the women hear that Campbell's makes
good soup.

And with what result? What name do you
first think of when you think of soup?

Free—A New ESSEX—Free

A standard 5-passenger Essex Touring Car will be given to the person who guesses nearest to the total number of miles covered by these two Essex in this seven-day non-stop motor endurance test.

A CHANCE FOR EVERYONE

—FILL OUT COUPON BELOW—

Watch the ESSEX this Week
Two Standard Touring Cars Start
On A Seven-Day Non-Stop Run

168 hours without once stopping the motor is the task set for the two Essex Touring Cars which left City Hall Saturday at noon. We could think of no other test that would so thoroughly prove the stamina, endurance and freedom from motor troubles than this long grind. Watch for these two cars—hail the driver and tell him where you want to go.

Ride in either of these cars—let the driver show you the wonderful qualities of the Essex. The smooth riding—the quick getaway—flow of tremendous power. Its performance, its long endurance and the way in which it retains its newness—are qualities heretofore found in large, costly cars.

Ride and be convinced.

This contract closes at 12 o'clock noon, Saturday, July 3rd, 1920. In order to receive consideration, all estimates must be made on COUPON appearing in our newspaper advertisements or on slips furnished by drivers of the two ESSEX cars. My estimate of the total distance traveled by the two Essex stock cars in the seven-day non-stop motor endurance test is

..... Miles Tenths of Miles

IMMEDIATE DELIVERIES

Americans Traveling To Europe:

This Is Important To You

A special European service has been inaugurated by the Bankers Trust Company to accommodate travelers carrying "the best funds for travelers":

"A. B. A." American Bankers Association Cheques

By this service it is possible on arrival in Europe to exchange "A. B. A." Cheques purchased in America for other "A. B. A." Cheques stamped with the equivalent in sterling, francs or lire, based upon the exchange rate of the day the Cheques are exchanged, thus giving the traveler the advantage of the best rates the market allows.

"A. B. A." Cheques are safe because, if not countersigned by the rightful owner, they cannot be used by anyone else in case of loss or theft.

They are accepted readily in payment of bills at hotels and shops and in purchase of transportation tickets in any civilized land.

"A. B. A." Cheques may be obtained at nearly any prominent American or Canadian bank.
