### THAT CLOAK OF ISOLATION

SIX years ago today the American public read with comparative indifference the cabled accounts of an assassination in a town with an unpronounceable name. The victim was the Archduke Francis Ferdinand, heir apparent of the Austro-Hungarian throne the place of his death was the Bosnian the gallery of the Senate and the House the soil. McAdoo's reputation for busicapital, Sarajevo. With the ruling with their stopwatches to see whether ness acumen would give solidity and dynasty of the Hapsburgs we were serenely unconcerned. In the imbroglio of the distant Balkans we were proudly Later, amid a world cataclysm, it

was proved that our cloak of isolation was a sham. It might be profitable tofor Americans who believe that their great republic can be divorced from this planet to examine that new mantle of seclusion which some propose to wear. Is the present lining more durable than the old?

### A SUBSOLAR NOVELTY

ONE man has been found who actually yearns to be Vice President of the United States. He is former Senator James Hamilton Lewis, who has been killing time in Chicago since his seat at the recent senatorial elec-

Mr. Lewis is running his own campaign at San Francisco. He is willing to party for seventy-five years had oppose accept the vice presidency without any any of the groans of pretended martyrdom that mention of the office brings from other ambitious politicians. And since a vice president has little to do but walk around and appear beautiful Jim system under federal control. Ham probably feels that America was discovered by Columbus, that the Revo-Intionary War was fought, that the Dec laration of Independence was signed and a job for which he is ideally fitted.
