DEFINITE OF WORLD-WIDE SCOPE SERVICE

To America's industrial and commercial interests The Philadelphia National Bank is well equipped to render definite and constructive banking service designed to handle with intelligence and dispatch both foreign and domestic transactions.

Progressive business requires progressive banking, reliable business requires a reliable bank, world-wide business requires the services of a bank possessing the connections, facilities and experience to advance its interests in foreign markets.

A connection with this bank will bring to your business the close co-operation of such an institution—a bank built on the bed-rock of experience, possessing both the knowledge and resources to serve with the distinction and capacity of an old and well seasoned organization.
