Child Accidentally Shoots Herself With Father's Revolver. Injuries Number 111

the sale of sparklers, it is believed, materially cut down the number of in-

child killed was Angelena Corth Front street. She shot herself shile celebrating with her father's revolver. The accident occurred in the rard, where the child had gathered her brothers and sisters to hear her "make big noise." The parents are

Thirty-two accidents were reported on Sunday, while the count yesterday brought the figures for the two days up to 111. Only a few of the persons injured yesterday are in a serious condition, the majority of the caspalties attributable to the use of the recrackers being of the "I didn't know lighted character.

it was lighted character.

No deaths were caused by the fireworks yesterday, but one child was
killed the day before, and two others
previously, in the pre-Foorth celebration. Sparklers caused two of the
deaths, and a gunsh it would one.

Many victims of gunshor were re
noticel yesterday, the theirs having
been struck by stray bullets.

"Fewer children played with fiveworks yesterday than in many years
gone by and that is the reason for the

one by and that is the reason for the low rate of accidents," stated William B. Mills, superintendent of police, to "Much credit is due to the parents for their splendid co-operation with the Department of Safety this year," he continued. "The community celebra-tions were undoubtedly a success, in inner as they eliminated individuals' ac-
