SUMMER RESORTS
HOT SPRINGS, VA.

The HOMESTEAD
Hot Springs Virginia

SUMMER days here are cool and bracing. 2500 feet up in the Alleghenies, where the average summer temperature is ten degrees lower than in New England. No mosquitoes. Healthful outdoor sports and delightful companions. And the famous Hot Spring baths.

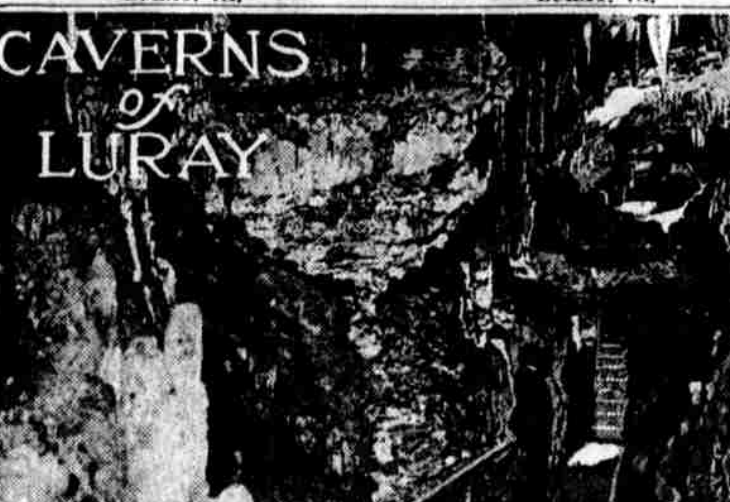

The Grottoes of the Shenandoah
Truly One of the Wonders of the World
THE SCULPTORS OF NATURE

have, indeed, offered themselves most bountifully in these magnificent underground caverns, where beauties unsurpassed await the visitor. Exquisite curiosities, lofty stalagmites and ponderous stalactites—these amidst awe-inspiring, unrivaled natural phenomena of every conception, have placed the grottoes of the Shenandoah in the same category with the Falls of Niagara, the marvels of Yellowstone Park and the charms of the Colorado canyons.
