Roman Aluto Co.7 Our Cars Stand Up to the Promises We Make for Them

Every statement made for a car here is backed up by the car itself, or we don't call it a sale. We sell good will and performance, as well as the car. We want you, when you buy a car here, to know, and to tell others, that you got 100 cents' value for your dollar. Thousands of our customers know this, and we want you, too, to know it!

To The Used Car Buyer

Visit our big Used-Packard showroom, see the fine appearance of our used cars, and you'll think you are in a new car salesroom.

Have a demonstration in one of our used Twin Sixes, and for performance, comfort and riding qualities you'll pick a Used Packard over any new car that sells around its figure.

Then examine the prices — twenty-five, fifty per cent and even greater reductions over our new car prices-some Used Twins as low as \$1250. No freight charges or tax. Our deferred payment plan if desired. Also, your old car may be traded in.

The Packard car is admittedly a long life car, and designed with that aim. A few worn bushings replaced, the engine and other mechanical parts carefully overhauled, a sparkling new coat of paint added, and you have a car unrivaled at its price. And a written warranty goes with it to show our faith.
