

### HARDING'S TOWN TO GREET CROWD

Marion, O., Busy With Plans to Entertain Notification Visitors

### WILL FEED MULTITUDE

By the Associated Press  
 Marion, O., July 14.—Plans are actively under way for the feeding and lodging of the enormous crowds which are expected to visit Marion on notification day. D. H. Crisinger, chairman of the local committee in charge of these plans, announced today that arrangements had been made with churches and lodges to serve meals. While numerous quick lunch stands will be erected under the committee's supervision, where sandwiches and box lunches as well as soft drinks will be sold. It is estimated the restaurants can feed from 8000 to 10,000 persons that day, while a local sausage manufacturer has agreed to turn out ten tons of wieners for the visitors' consumption.

While housing facilities here are inadequate to take care of all visitors expected for the notification, a canvass shows 1000 rooms in private homes to be available, according to Mr. Crisinger, who said, however, that reports indicated that many delegations would remain in Marion only one day.

Many delegations are expected to motor to Marion and arrangements have been made for closing certain streets for parking purposes.

After devoting the forenoon to the preparation of his speech of acceptance, Senator Harding today conferred with A. P. Moore, publisher of the Pittsburgh, Pa., Leader, who said he thought the nomination of Governor Cox as the Democratic presidential candidate assured the senator's election. He also said he feared no ill effects from the formation of a third party, declaring, in his opinion, its strength would be drawn principally from supporters of President Wilson.

Senator Harding, when shown a copy of Governor Cox's statement issued today in which reference was made to the senator's plan for a front-porch campaign, said he saw nothing in the statement "that justified any response." He also said it was useless to enter into a "wire debate" with the Democratic nominee.

"Some day I will deliver myself of an address in which I will give my views as to the desirability and intimacy of a front-porch campaign," Senator Harding added.

Senator Harding charged in a statement last night that President Wilson had compelled the Democratic presidential and vice presidential nominees to accept his view that the League of Nations should become the dominant campaign issue.

The President's one concern, the senator said, is the "vindication of his foreign policy," and he insists upon "his issue regardless of costs or consequences."

"The Republican party and candidates gladly accept the challenge," the statement said. "We are more than willing to make the election a national referendum on the question whether we shall have four years more of the Democratic readiness to surrender this republic."

New York, July 14.—(By A. P.)—Demand for reservations on the special train which will carry New Yorkers to the Harding notification ceremonies at Marion, July 22, has been so heavy that a second section will be made up to accommodate the situation. The train will leave at 4:30 p. m., July 21, and arrive at Marion at 7:30 the next morning.

### SUGAR SOLD AT 26 CENTS

Pittsburgh City Official Relieves Cannery Shortage  
 Pittsburgh, July 14.—(By A. P.)—James F. Malone, director of supplies of Pittsburgh, today sold to the public 120,000 pounds of sugar at twenty-six cents a pound. No sale of less than 100 pounds would be considered.

Announcement of the sale was made by the director yesterday and long before the hour set scores of persons had assembled at the city building, many of them merchants, who were willing to take the sugar in large quantities. Sales to them, however, were limited to 100 pounds.

This sugar was purchased direct from refiners to relieve the shortage occasioned in this section by the demand incident to the canning season.

### WHISKY RING BROKEN UP

Women Caught Transporting Banned Liquor in Suitcases  
 Cleveland, July 14.—(By A. P.)—A well-organized whisky-running campaign, with regularly scheduled liquor-smuggling trips, was nipped by police this morning when vice squad officers arrested three women and five men at a railroad station and confiscated fifty-two quarts of liquors.

The liquor was contained in suitcases, which were found in possession of the women and which, police say, they brought to Cleveland from Pittsburgh and were delivering to the five men when arrested.

The women are said to have made scores of trips on a daily schedule before police interrupted the traffic.

### CITY IS ASSURED COAL

P. R. R. Ordered to Furnish Cars to Protect Water Bureau Supply  
 Harrisburg, Pa., July 14.—The Public Service Commission today ordered the Pennsylvania Railroad to furnish five cars a day to haul coal for Philadelphia's water department.

Representations were made to the commission by officials of the Philadelphia Water Bureau that unless an adequate supply of coal was supplied to operate the pumps in Philadelphia the city water supply might be discontinued.

The order directs the railroad to furnish the cars at the Franconia mine of the Ridge Coal Co., at Derry, Pa.

In a former order the commission ordered the allotment of a sufficient number of cars to insure coal for Philadelphia's plants which furnish the city with electric power and light.

### Taxi Company Licensed

Harrisburg, Pa., July 14.—A certificate of public convenience was issued today by the Public Service Commission to the Public Service Taxicab Co. of Philadelphia, to operate a call and demand service in that city. An application for Aquilla Senyard and Michael A. Burr to operate call and demand service from Broad Street Station and City Hall was refused. The commission holds a sufficient number of persons now hold certificates to furnish adequate service between those points.

### New Phone Rates Protested

Harrisburg, Pa., July 14.—A complaint against the Bell Telephone Co. of Philadelphia, to operate a call and demand service in that city, was filed this afternoon by Arthur P. Schneider, a Philadelphia lawyer. He alleges that on October 1, 1919, he signed a contract with the Bell for 1200 calls a year at a cost of \$75.00, with a proviso that he pay a fixed sum for extra charges. Schneider complains that his June and July bills were excessive and wants a hearing.

### HARDING CHARGE FLOUTED BY COX

Senator's Front Porch at Marion Declared to Be Only a "Listening Post"

### TAKES JAB AT PENROSE

By the Associated Press  
 Columbus, O., July 14.—Charging that Senator Harding had made his "front porch a listening post," Governor Cox today replied to Senator Harding's statement of yesterday that the Wilson administration had saddled the League of Nations upon him as the chief campaign issue.

The governor's statement follows: "Senator Harding has made two definite announcements—that he purpose to hark back to the days of thirty years ago, and that he will make of his front porch a listening post. This means that he will be as far removed from the running current of progressive thought as the senatorial oligarchy of Lodge and Penrose and Smoot has been removed from the heart beats of the American people for a year or more.

"My campaign will be dedicated to the task of bringing peace with honor, of readjusting the affairs of civilization and creating a new day out of which we will make the best of the lessons of the past. Therefore, the things that the senator believes vital and pertinent from his isolated perspective will not, in all probability, be so regarded by me.

"His last statement is but a reiteration of what has been said in the Senate time after time, so that if, this campaign on the one hand develops into

mere morning sessions of the Senate, you will very readily perceive the uselessness of daily response."

Hyde Park, N. Y., July 14.—(By A. P.)—Franklin D. Roosevelt, replying at his home here today to the charge of Senator Harding that President Wilson had forced the Democratic nominees to accept his views that the League of Nations should become the dominant campaign issue, declared he was "quite willing, as I know Governor Cox is, to let the American people decide whether they will go back to the conditions of 1914, or whether they will join with civilization and humanity in this great step forward."

"The attempt by Senator Harding yesterday," he said, "to befog the true League of Nations issue by dragging in the name of President Wilson is merely further evidence of the historical fact that a certain type of senatorial mind cares more about squaring an ancient grudge against an individual than it does to consider the true welfare of the nation. It is, of course, well known that seven-eighths of the opposition of these senators is not to the League of Nations, but to the person of the President of the United States himself.

"In Senator Harding's statement is the usual vague, summoning forth of bogies and imaginary ghosts of horrible pictures of American soldier boys waging war in Poland, Russia and Turkey. I yield nothing in my devotion to the United States to Senator Harding, to Senator Penrose, to Senator Johnson or to any of their followers. Rather, I believe they are the ones who fail to visualize the great future and the independent future of this nation.

"One of the prominent issues is thus becoming early and clearly drawn. A Democratic victory means ratification of the treaty and the League of Nations, which, as the world knows, is already constituted. A Republican victory means that the United States, with Russia, Mexico and Turkey, shall remain outside. The election of Harding means that in case of future war the United States will enter the war after the conflict has begun."

### START HOUSING SURVEY

Chicago After Basis to Consider Rental Problem  
 Chicago, July 14.—(By A. P.)—The Chicago real estate board, assisted by the police department, today started a comprehensive survey of the housing situation with a view to taking remedial measures.

Chief of Police Garrity instructed commanding officers to have every patrolman report the following conditions on his beat: How many houses or flats are now vacant; how many houses or flats are now under construction; and how many families are now living as boarders or extra tenants in houses or flats designed to be occupied by only one family?

The completed report also will have a strong influence on the price of rent, real estate men said.
