Automobile Painting
While our facilities for strictly high-grade refinishings are perhaps the most complete and largest to be found, the strain in keeping delivery promises is great; it will prove of great assistance if patrons who intend having their cars refinished will inform us at their earliest convenience. Then dates can be arranged, so that cars will not be out of use for any length of time.
We bake each coat of finish as applied; this insures longer wear and far handsomer finish.
Come and see for yourself.
