MR. WHITE is a dry.

It may be useful to have a dry campaign manager for a wet candidate.

Mr. White tells the story himself of

how he became a dry politically. He got himself elected to the Ohio state Legislature. Like all new mem-bers, he had an innocent ambition to be a member of an important committee; the committee on appropriations,

name was not on the coveted committee. He waited a while and finally it ap-

peared. He was a member of the committee on temperance. "This must be a mistake," he said. He made inquiries, and he was told

that he had been assigned to the tem-perance committee by some unfriendly afluence which desired to kill him off When his term in the Legislature was up he got himself nominated to Con gress, and on the strength of his servces to the dry cause as a member of the committee on temperance he managed to be elected three times against a wet Republican in a normally Republican district.
Mr. White has a distinguished po-

litical past.
When he was in Congress he was the commate of Congressman John W Davis, of West Virginia, now ambassador to the Court of St. James and one of the ornaments of the administration. He was still a member of the House

Brennan and Wilbur Marsh is given to few men.

RETICENCE

HAD I a little daughter l'd name her Reticence. She should be her brother's comrade And silently dispense The perfume of her presence Through their frank and golden days, The shadow to their high lights, e border to their ways; The stem that holds to lines of grace The mass of leaf and flower, The wall about the garden, The trellis 'neath the bower,

At evening in the firelight Her brothers play and sing; Her laughter is so light, so light, A tinkling, silver ring. How smooth and slim her little face, How delicate its rose. How quiet all her gracefulness, The twilight hardly shows. Oh, I dearly love her brothers And all their gay good sense; But had I a little daughter I'd name her Reticence
