Public Favorably Impressed

Cox's record as governor is an ex-cellent foundation for an appeal to the public. It will dispose voters favorably toward him, but it will not move them

the governorship.

Cox, besides keeping social ends in the governorship.

Rio de Janeiro takes its name from the great bay on which it is situated. The early discoverers thought this body of water to be a river and named it Rio de Janeiro (river of January) in allusion to the month in which it was found.

The Crantage of the difficulty of granted.

The Crimea is a peninsula in southern Russia, nearly surrounded by the Black sea and the sea of Azov.

Merlin was a mythical enchanter or magician, who figures in the League of Nations and Wilson to or 'magician, who figures in the cycle of the legends of King Arthur.

6. Lady Tenzle is the sprightly, ingressing and to shift the issue away from the League of Nations and Wilson to one which will improve his chances of election. Another side of it is that the genuous and lealest and the sprightly, incompress attention by genuous and indiscreet heroine of Sheridan's celebrated comedy, "The School for Scandal." country's attention has for several years been directed away from state to national problems.

Times Have Changed

The Sucz canal was opened in 1869.
Tarragon is a plant allied to wormwood and used in salads and in making tarragon vinegar.
The Greeks computed their calendar by Olympiads, the four-year period between the Olympic games, and counted from the first athletic festival 176 B. C.
Delaware was the first state to ratify the federal capititution.

Times Have Changed

In the days of Hughes and Wilson it was otherwise. State government had largely broken down. Elihu Root, then secretary of state, had, at the instigation of President Roosevelt, made a speech warning the states that they would gradually lose their powers to the federal government if they did not pich did

peace. In this he has aided by nis industrial commission made up of labor men, or men who understand and have the confidence of labor. The result is that Cax, while winning labor, has not alienated capital in Ohio.

A Republican business man in Dayton, reviewing the situation, said: "Cox has been neither pro-labor nor pro-capital. He has kept an even hand and showa a lot of sense."

His labor record means some votes for him and it is his best talking point if he should be able to switch the issue away from Wilson and his league to de-

mestic problems. to gain national attention.

It is not so today.

The mind of the people is occupied today with international relations, with the conflict between Congress and the last one constitution of the people is occupied today with international relations, with the conflict between Congress and the last one rather than to what he will do. His mind has not been on national problems. His primary campaign literature had no constructive program. Cox has to think his way out nto the national field before he finds an issue which will give vitality to his

P.)-Possibility of an abandonment by Mexico of her experiment in government owner-ship of railroads is seen in a dispatch received today by the Mexican em-bassy. The dispatch stated that the department of finance, in behalf of the federal government, had authorized a commission appointed by the board of directors of the National Railway of Mexico for consideration of a project tending to the return of the railways

to their former owners. The federal government, the dispatch added, has announced it was not opposed to return of the railroads pro-vided the means of bringing about the return fully to meet the government requirements and its execution may be easily carried out,

SEEK AMNESTY FOR GIRL

President's Son-in-Law, F. B. Sayre Signs Petition for Mollie Steimer and Cox was besieged with requests to call out the militin against the "in-vaders." He held that the Pennsyl-vanians as American citizens had a right to enter Ohio, and, moreover, had

New York, July 27.—Harry Wein-berger, counsel for aliens held at Ellis Island for deportation, said yesterday he was circulating a nation-wide peti-tion for granting amnesty to Mollie Steimer, the Russian radical, who serving a fifteen-year sentence in the federal penitentiary at Jefferson, Mo. for distributing circulars in war time advising American citizens to resist
