Big Drop in Prices Coming
Banking Men Here Predict

Calwell and Passmore See Decrease—Look for Bumper Crops and Improved Labor and Transportation Conditions

Charles S. Calwell, president of the Corn Exchange Bank, and E. Pusey Passmore, who heads the Bank of North America, said today that market quotations denoted a general and decided fall in prices and a more livable future for Mr. Common People.

Decrease in Demand Plays Part

"Lessening of public demand for many necessities is doing its part, while extraordinary crops are doing their bit. The recent fine weather has been a godsend for the growth of high grade cotton, and now one of the best crops in history is being produced.

Warsaw Reports Red Revolt at Kovno and Overthrow of Lithuanian Government

Ludendorff Offers to Lead
German Army Against Reds

General Ludendorff has made an offer to the Allies to lead an army of 1,500,000 Germans against the Bolsheviks, according to a Berlin dispatch.

By the Associated Press

London, July 29.—France, Italy and Great Britain are in complete agreement regarding negotiations with the Russian Soviet government, despite statements to the contrary made by sensational and inaccurate newspapers, declared Premier Lloyd George in the House of Commons today in replying to questions concerning the Boulogne conference.

Poland Must Be Represented

"The British Government considers that if the allied governments are to carry out their obligations to the Allies, the message called attention to the fact that the Soviet government had sent two messages which conflicted concerning participation of the Allies in the proposed London peace conference.

Can Save Polish Situation

Paris, July 29.—(By A. P.)—The Franco-British mission to Poland has made a report on the military situation in that country which it declares is not so desperate but that it can be retrieved without great difficulty if the three main recommendations are followed.
