L'ITALIA OCCUPA TUTTORA VALONA

La Notizia della Caduta della Citta' in Mano degli Insorti e' Infondata

Published and Distributed Under PERMIT NO. 841. Authorized by the act of October 6, 1917, on file at the Postoriles of Phila-delphia, Pa. A. S. BURLESON.

Roma, 1 agosto.—La notizia divulgata la Belgrado e Parigi, secondo la quale Valona era caduta in mano degli insorti e che gli italiani erano stati costretti ad evacuare dope ingenti perdite, e'

priva di fondamento. Si tratta di una delle consuete notizie tendenziose divulgate dal partito mili-tarista di Belgrado per provocare un conflitto tra l'Italia ed i Jugoslavi. La stampa jugoslava pubblica al riguardo notizie inverisimili, lasciando credere che l'Italia e' sull'orlo della rivoluzione che l'Italia e sui oro della rivologiane e della rovina e per far intendere che questo e' il momento opportuno per riprendere quanto l'Italia iniquamente si e' presa. si e' presa. La campagna italofoba sarebbe alimentata dalle mene di agenti francesi ed americani, i primi a scopo politico ed i secondi a scopo mercanteso. Il giornale "L'Idea Nazionale" richiama l'attenzione del Governo al riguardo, esortandolo a muovere rimostranze a Parigi e Washington.

Una importante seduta ha avu luogo alla Camera dei Deputati. Ripresa la discussione sul progetto di legge per la confisca dei sopraprofitti di guerra, dopo un discorso del relatore, On. Gasparotto, la legge e stata approvata con voti 355 contro 70.

Nei riferire sulla legge in parola, l'On. Gasperotto ha detto: "La guerra la quale ha recato lutti e dolori, distruzione di beni e disagi d'ogni specie che il popolo ha eroicamente sopportato col piu' alto senso di patrottica disciplina, non deve lasciare tra le classi sociali le tracce di una ricchezza facil-

sociali le tracce di una ricchezza facil-mente accumulata da una ristretta minoranza di cittadini. Coloro che tali minoranza di cittadini. Coloro che tali ricchezze accumularono devono comprendere che ad essi non puo' lasciarsi quella parte di ordinario guadagno che avrebbero conseguito in condizioni normali."

L'oratore, dopo aver chiaramente lumeggiata la liberalita' della legge, concluse affermando come il provvedimento sia indispensabile per colmare l'enorme deficit della finanza dello Stato.

l'enorme deficit delle finanze dello Stato. I giornali si occupano diffusamente sull' annunciato convegno tra l'On. Giolitti e Lloyd George, e molti at-tribuiscono una grande importanza al colloquio tra i due Capi di Governo. La data del convegno non c' stata ancora sata, ma sembra certo che avverra' in Lucerna verso il 15 corrente.
