THE Southern Steamship Company

DIRECT LINE FROM PHILADELPHIA TO HOUSTON, TEXAS

GENERAL OFFICES 321 Commercial Trust Building

Philadelphia, Pa., August 5, 1920.

Has Addressed the Following Communication to-

Hon. Mayor of Philadelphia, Chamber of Commerce, Board of Trade, Maritime Association, Manufacturers' Club.

Gentlemen—

The Southern Steamship Company desires to announce to the shippers of Philadlephia that the congestion prevalent since the early part of June, due to strike of longshoremen, has been cleared up and that we are now accepting shipments for all points in Texas, Oklahoma, Colorado, Utah, Arizona, New Mexico and California. We now have sailings from Pier 46, South Wharves, to Houston, Texas, every week and are in position to accord all shipments prompt and careful handling.

Your attention is directed to the fact that our rates from Philadelphia to Texas points are considerably less than can be obtained through New York City in connection with water lines operating from there.

A large amount of freight consigned to the Southwest now goes through Philadelphia to New York for water transportation to Texas. Shipping via Southern Steamship Company and Philadelphia will help relieve the present transportation trouble at New York.
