

LEGION POST AIDS DISABLED MARINES

Thomas Roberts Reath Unit Members Will Entertain Veterans in Their Homes

FIELD DAY PLAN ADVANCES

Entertainment for disabled comrades in the American Legion will be provided by Thomas Roberts Reath Post, according to an announcement today by Dr. Orlando H. Petty, commander.

Dr. Petty explained that a call was issued for a meeting of the volunteers who would invite to their homes and entertain a comrade or comrades from the Navy Yard who are disabled and now in the hospital.

"This appeal met with generous response," said Dr. Petty, "and it is assumed the boys would be accorded the hospitality of our comrades. We shall also plan an outing for these disabled men, inasmuch as it is felt that everything should be done to make their hospital life pleasant and to relieve it from monotony, particularly during the hot summer months."

The Marine Post has now obtained a substantial membership and expects to reach the 400 mark by the end of the year. Its dues are \$3, and applications for membership may be forwarded to Errol White, in the Stephen Girard Building. The post has endorsed the Philadelphia county committee.

William J. Lamartine, finance officer of George A. Turner Post, of which William J. Leupton is commander, announced today that a special meeting will be called to provide for assistance to the athletic committee with respect to the field day on Franklin Field, September 18.

Overbrook Post No. 562, the youngest organization of Legion veterans in Philadelphia, has already announced a membership of 120 paid-up. This is a remarkable showing, in view of the fact that the post has been in existence only a few weeks. The officers are: Edward H. Conger, commander; John V. Horan, first vice commander; Frank Dwyer, adjutant; William F. Horan, Jr., finance officer; Rodney Lea Jack, second vice commander; John H. Rice, historian; the Rev. Edwin F. Byrne, chaplain; executive committee—First district, Alexander B. Garwood; second district, Goodenham McCarrick; third district, Thomas J. K. Hare; fourth district, Arthur McManus; fifth district, Elmer Hester; permanent home committee, William F. Harty, chairman; John H. Rice, Frank Dwyer, Walter B. Furst, Paul Easing, John H. Keijnel, Harry Davis, John V. Horan, Alexander B. Garwood, Major Edward H. Conger, honorary chairman.

INSPECTOR PROMOTED
John I. Dillon is Made Contract Clerk in Mayor's Office
John Irving Dillon, of the Thirtieth ward, a meat and cattle inspector in the Department of Health, has been appointed by Mayor Moore to be contract clerk in the Mayor's office. Dillon, whose salary was \$1440, will now receive \$1800 in his new job.

The appointment, effective yesterday, fills the position made vacant several months ago when Robert D. Harper, of the Fortieth ward, was promoted from contract clerk to chief clerk.

FORMER HUSBAND SUED
Woman and Present Spouse Ask Damages, Alleging Slander
Two suits to recover \$5000 damages each were entered by Charles M. Scanlin and his wife, Catharine F. Scanlin, in the Common Pleas Court yesterday against Arthur C. Hibba for alleged false and malicious charges of kidnaping preferred against Mrs. Scanlin by the defendant.

It appears from the statements of claim that Mrs. Scanlin is the former wife of the defendant and the controversy is based on an alleged accusation that she attempted to kidnap her own daughter from the defendant in Halmesville, Pa. Mrs. Scanlin, it is said, was exonerated of the charge after a hearing before a Justice of the peace in Doylestown, Pa.

Strawbridge & Clothier's August Sale of Furniture Making New Records Daily

Every day since the Sale started the SELLING HAS BEEN GREATER than on the corresponding day of last August. We are very sure that every customer will have cause for SELF-CONGRATULATION. Furniture can be bought NOW for considerably less money than after this August Sale ends. We wish prices were lower, but we cannot control cost of production. We also wish we could avoid even a mention of higher prices; but we are merchandising and advertising in the INTEREST OF THE PUBLIC, and we must tell you frankly that we paid less for the Furniture we now own than we should have to pay to-day for the same Furniture. This being true, and it being true that OUR ENTIRE STOCK IS MARKED AT LESS THAN OUR FAIR REGULAR PRICES, need we offer any further argument as to the wisdom of BUYING NOW any Furniture you need or will need within the next six months?

We have a splendidly varied stock of Dining-room, Living-room and Bed-room Furniture, in Period designs, and hundreds of separate pieces—chairs, tables, desks, bureaus, china closets, bedsteads and novelty pieces, all at reduced prices; also our entire stock of Summer Furniture, for porch, cottage and lawn, at a worth-while reduction. And we wish to again direct attention to the SPECIAL SECTION in the East Store (third floor), where we have gathered an EXTRA-SPECIAL group of upholstered, three-piece LIVING-ROOM SUITS, at an average SAVING OF ABOUT ONE-THIRD.
