

### FIGHT TO RETURN DR. BRICKER BEGINS

U. S. Seeks Return of Physician From South America on Presidential Warrant

#### JUMPED HIS BIG BAIL HERE

The fight of Dr. William S. Bricker, Sr., against extradition has begun in the Argentine courts. He is now under police guard in his luxurious apartments in Buenos Aires.

The felony of which the doctor is accused is not extraditable, so his return to this country is asked under a presidential warrant charging perjury. It is alleged that Dr. Bricker secured the name of Moore when he secured passports in New Orleans, just before he left this country with the woman said to be his wife. When the doctor fled he forfeited \$10,000 bail.

Doctor Bricker was arrested at the request of the American embassy, where he was recognized when he applied for a passport back to this country for the woman said to be his wife. He secured his release from prison on a plea of illness. When arrested he was found to have \$75,000 in gold, and was preparing to buy an Argentine ranch.

James Irwin, assistant to Major Samuel O. Wayne, chief of the county detectives, is in Buenos Aires now. He will probably be recalled, as the extradition proceedings are expected to last for months.

#### SUNDAY SCHOOL MEN MEET

State Association Meets Aides Before Going to Convention

W. G. Lendes, head of the Pennsylvania State Sabbath Association, 1511 Arch street, spent yesterday in Harrisburg in an informal conference with his field workers prior to departure early next month for the world's eighth Sunday school convention, to be held in Tokio, Japan, in October.

Mr. Lendes, in the conference yesterday, gave high praise to John Wannamaker, chairman of the executive board of the World Sunday School Association, and recently elected delegate to the convention in Japan.

He hinted that Mr. Wannamaker appealed to him as a potential candidate for the office of president of the Sunday School Association to succeed T. H. Freese, M. P., of London, England, who for some time has served in that office.

Mr. Wannamaker declined to discuss the matter of the convention or the possibility of his attending.

# PAIGE

THE MOST BEAUTIFUL CAR IN AMERICA

WHETHER the Paige Glenbrook is chosen solely because of its beauty, or rather because of its mechanical excellence, a full measure of satisfaction is assured to its owner in either case. For it is well known that in Paige cars beauty and efficiency go hand in hand.

The same skill in car building which is responsible for making the Glenbrook a vehicle of exceptional grace is likewise responsible for making it an exceptional car from the mechanical standpoint.

In body, power plant and chassis, it is distinctly a Paige product—setting standards in comfort, economy and dependability such as have never before been present in a car of moderate price.

When you have once driven this Glenbrook you will agree that, from a mechanical as well as an artistic point of view, there is no finer five-passenger car on the market at anywhere near its cost.
