**MAIN LINE**

A WINTER HOME
ON THE MAIN LINE
IN ITS MODEL SUBURB
We have one of the most desirable purchases on the Main Line at Merion —"The Model Suburb"—which is better policed, better lighted, with better roads than any suburb on the Main Line. The house was built by the owner, a contractor, and can be bought for the price of the house alone, thus acquiring the three acres of splendid high ground on which it stands for practically nothing. House is splendidly built; all on one floor, simplifying housekeeping; 9 rooms; 5 minutes from Merion Station.
It is essentially a bargain; one of the best we have had to offer for a long time.
