Under the management of Jimmy King, who strengthened the Hunting Soccer with several minor league players, the team has been playing before big crowds at Eighteenth street and Hunting Park avenue, where hundreds of automobiles are parked along the sidelines on Saturdays and Sundays.

Humes and Johnson, the star battery of Hunting has several open dates before the finish of its season, and Manager King wants to hear from St. Joseph C. C., Drexling Bros., East Park Sparrows, Stenton Professionals, Mervine, Elmer, Merriwell, Indiana, St. Cecilia, Colonial, Philadelphia C. C. and Gimbel Bros.

### RUNNERS RULE AT BYBERRY TRACK

#### Four Events for Thoroughbreds and Two for Motorcyclists on Card Today

Running races and motorcycle events are on the card for the fifth day's racing at the Philadelphia County Fair at Byberry today. Four races for thoroughbreds and two for motorcyclists is the program.

The biggest field of runners ever seen at fair meetings in this section turned out at this year's Byberry Fair, and, to be exact, forty-two are stabled at the track.

Secretary A. E. Leatherman is responsible for adding running races to the regular trotting and pacing program.

Today's running events should be the best of the week. Hot-Foot, twice a winner in the dashes; Lord Sterling, Miss Lucy, Metropolitan, Super Maid, Blondie, Slick, Director James and others will compete.

Yesterday finished up the trotting and pacing events. A Baltimore entry, W. C. Ziegenheim, pacer, won the 2:16 race, best heat in 2:12 1/2. It was the Orle horse's second victory of the week.

Tomorrow automobile racing will be held. Six races are on the card.

### 600 ATHLETES IN NAVY-DAY SPORTS

#### Modified Marathon on Broad Street Feature of Saturday's League Island Events

The committee in charge of the sports end of the second annual Navy Day, which is scheduled for the League Island Navy Yard Saturday, announces that to date more than 600 entries have been received from virtually every prominent athlete of note in this section for the track and field events.

A varied program has been arranged, including a modified marathon of six miles, which will start at Broad and Locust streets at 1:30 p. m., finishing at the navy yard.

All the star runners of Meadowbrook, Shamahan, Germantown Boys' Club and Northwest Boys' Club will be in action. The A. A. U. events will be handicaps. Among athletes of note who will take part are Lever and Leconey, of Meadowbrook, and Sherman Landers, the Olympic broad jumper.

The handicap events include the 100, 220, 440, 880 and mile, running high jump, running broad jump, shot put, discus, javelin and one-mile relay. The events for enlisted men and navy yard employes include the 100, 220, 440, 880 and mile run, potato race, three-legged race, sack race, tug-of-war and mile relay.

These two teams will clash on the Dobson field at Thirty-fifth street and Queen Lane. On both previous meetings around rules had to be made owing to the large crowd. Another record-breaking crowd is expected to cheer their favorites in tomorrow's battle.

### DERBY DENIES REPORT

#### Resignation as Ambassador to France Voluntary, Earl Asserts

Paris, Sept. 10.—(By A. P.)—Reports that the resignation of the Earl of Derby as British ambassador to France was caused by a disagreement with the British Government over the policy to be followed in Russia were denied by the retiring ambassador last night. He said that last spring he requested the British Government to relieve him before the end of the year, owing to his desire to resume his activities in England.

Asked whether he would resume political work, he said he preferred a phrase used by H. H. Asquith: "I will and see," adding he would "remain in touch with his French and American friends in Paris."

The only condition is that the challenger must be a member of the Lexington Motor Club. The offer is open until the Lexington Minute Man Six is driven to a point where it is not possible to make a challenge.

**109 Cars Accepted the challenge**

22 were cars of 4 cylinders  
34 were cars of 6 cylinders  
47 were cars of 8 cylinders  
6 were cars of 12 cylinders

ABOVE is reproduced the \$5000.00 challenge which ran in New York newspapers. The Lexington Minute-Man Six defeated all of the 109 contesting cars on all the points, proving conclusively that it is champion of the highways. Only stock cars were admitted, and only standard test gasoline used.

The seven points included in the contest covered every feature of vital interest to prospective purchasers of motor cars. The contest was conducted on the highest plane of sportsmanship, not to discredit other makes of cars, but to verify a belief, long held, that the Lexington is master of the road. The Lexington met all the cars and defeated them with margins of victory to remove all possibilities of doubt or argument.

The splendid triumph of the Lexington was made possible in a large measure by two exclusive Lexington features. The Moore Multiple Exhaust System eliminates back pressure and increases power. The Lexi-gasifier affords better carburetion and gives greater power with low-grade gas than was formerly possible with high-test fuel.

Come in and inspect the Lexington. Let us show you why you get greater value for your money, finer performance and longer service.
