Speedy Settlement of Labor Trouble in Italy Forecast by Press

COMPROMISE TO BE MADE

By the Associated Press

By the Associated Press Rome, Sept. 10.—Belief exists in political circles that an agreement which will end the conflict between the Italian metal workers and their employers, which resulted in the occupation of which resulted in the occupation of more than 400 plants by the men dur-ing the last week, is imminent. It is pointed out that Premier Giolitti must leave an Saturday for Aix les Bains, where he will meet Premier Millerand, where he will meet Premier Millerand, of France, and that he could not go if the situation in Italy was not idexed up.

It is a special edition the Tribuna re-In a special edition the Tribuna re-flects this understanding. "Negotiations recently resumed for a solution, of the metal workers' consolution of the metal workers con-fict," the newspaper says, "promise to result favorably. An accord seems to be pear on the economic question and, despite complications, there is reason to believe the difficulties will be overcome, so that tomorrow, at the latest, the dis-pute may be considered settled."

pute may be considered settled. Milan. Italy, Sept. 10.—(By A. P.) Members of the Socialist group in the Italian Pariament, leaders of the General Confederation of Labor andrep-resentatives of the Federation of Metal Workers conferred here yesterday with delegates sent to Milan by the employers of labor. These interviews and discus-sions, which occupied the entire day. seemed to reflect a desire on the part of the contending forcs to bring about a compromise which would solve the monalous industrial situation through-aut Italy.

Socialist deputies, as well as leaders Socialist deputies, as well as leaders of the Confederation of Labor, favor T i middle course which may lead to an arly settlement, realizing the grave consequences for all that will result from a continuation of the conflict. A rection of the metal workers, however, opposes any such move and wishes, rather, to enlarge the agitation by bringing in other classes of workers. "The solution proposed corresponds Italian proletariat as far back as 1848, I thas been reported several days that men who have taken over industrial plants have been arming themselves. men who have taken over industrial plants have been arming themselves, and recent events have seemed to con-firm these rumors.
