MISS THAYER IS TENNIS VICTOR

Defeats Miss Cuttus, 6-2, 6-2 in Third Round-Is Sole Local Survivor

Miss Molly D. Thayer, of the Philadelphia Cricket Club, was the only Philadelphian to survive the third round of the women's singles in the championship tournament for the American lawn tensis title at the Philadelphia Cricket Club today. She defeated Miss Louise Cuttus, Bay Head, 6-2, 6-2.

The Philadelphia girl was very steady and her strokes were working with clocklike precision throughout the match. Miss Thayer was scheduled to meet Miss Eleanor Tennant, the California star, at 2 o'clock this afternoon. Miss Tennant earlier in the day eliminated Miss Anne B. Townsend, of Merion. 6-2, 6-0. Miss Townsend appeared to be greatly off form from sheer lack of practice, and Miss Tennant had no trouble in cutting off her drives at the net for placement points.

All of the fourth round matches were scheduled for this afternoon.

Neither Miss Tennant nor Miss Townsend was extended at all yesterday, but Miss Townsend played the bet-ter tennis because she tried harder. Miss Tennant realized that she could best Mrs. Gibbs whenever she felt like it, so she didn't feel like it until four-Il had been reached in the final set. Miss Tennant amassed a large sum in

the error column by carelessly tossing away points that she might have won with a little more care. Her service was only fair and her volleying was considerably lamer than usual.

Another Philadelphia girl, Miss
Phyllis Walsh, of the Country Club,

HEINIE GROH OUT OF REDS' LINE-UP

Star Third Baseman of World's Champions Has Indigestion.

Keenan to Pitch

The worries of Pat Moran, boss of the world's champion Reds, were further increased this morning when he was notified by the club physician that his Cinchy Reds would be compelled to play the second game against our Phils this afternoon without the services of

Heinie Grob.

The star third baseman of the champious was taken ill last evening with a bad attack of stomach trouble and while his illness is far from being critical, it was deemed best to give him at least one

day of rest.
Jimmle Keenan, the diminutive southpaw from the Terre Haute club of the
Three-I League, will have a real opportunity to demonstrate to the local Three-I League, will have a real op-portunity to demonstrate to the local fans that he has the ability to negotiate the full distance of nine innings. He has been nominated by Gavvy Cravath to start against the Reds and register victory No. 2 and maintain a percentage rictory No. 2 and maintain a percentage of 1000 for the week. Jimmy pitched three innings against the Pirates last week and made a very favorable im-

Our Phils broke their losing streak of six straight games yesterday by put-ting a big crimp in the pennant chances of Pat's Reds, when, with Eppa Rixey on the pitching peak, the world's cham-pions were turned back and beaten,

The lanky lefthander was invincible and held the invaders to five hits, two of which came in the ninth after two men had been retired. Rixey was also the big noise with the stick. In the third he made a personally conducted tour of the bases when he sent the ball to deep left-center and came through with a single over second in the seventh. Hod Eller, who was on the mound for the Reds, was not hit hard, but the hits were productive. Johnny Rawlings hits were productive. Johnny Rawlings had a pair of doubles and "Irish" Muesel smashed a three-bagger to left-

Mussel smashed a three-bagger to left-center in the sixth.

Barring accident, or an entirely un-expected slump, the Robins look good to capture the pennant of the National League and take part in the world's series. The following figures give the situation in a nutshell:

Brooklyn has fourteen games to play, and by winning seven and losing seven, a diberal estimate as to defeats, the Dodgers would have at the end of the season ninety victories and sixty-four defeats, giving them a percentage of

Cincinnati has twenty-one games yet to play, and by winning sixteen and losing five the Reds' record at the close would be ninety victories and sixty-three defeats and a percentage of .588.

The Giants have eighteen games to play, and by winning fourteen games and losing four their record would be ninety victories and sixty-four defeats,

ninety victories and sixty-four defeats, with a percentage of .584.
Thus by giving the Reds and Giants the highest probable number of victories, and conceding the Dodgers only an even break in their fourteen games, here would be a tie. If the Dodgers were to win eight and lose six, their ecord at the close would be ninety-one victories and sixty-three defeats, for a percentage of .591.

Scraps About Scrappers

The second show of the regular season here will be put on tomorrow night at the fee Palace, when Mike O'Dowd, who did not lose his sobriquet of "The Fighting Irishman" even though he was shorn of his middle-weight diadem, takes on the rugged Californian. Sailor Petrosky. The bout will be an tight-rounder, as will the other three numbers, viz.; Whitey Fitzgerald vs. Johnny Rose, Joe Nelson vs. Tommy Cleary and Buddy Fitzgerald vs. Wille Kohler.

Georges Carpentier will start light train-ing tomorrow at Great Neck, L. I. After ten deys there, the Frenchman will go to Summit, N. J., where he will finish prep-arations for his match with Levinsky, Joe Jeanette, Marcel Thomas and Jack Blum-field will be Georges's sparring partners.

No successor has been named as yet for Jack Hanion as matchmaker of the ice Palace. President George F. Pawling has several well-known boxing men under consideration, and, together with "Hustlin' Jimmy" Carolan, is figuring on a final selection. An official announcement will be made from the ringside tomorrow night.

A iniddleweight bout will be the first head-liner of the season at the National A. A. Saturday night, when Frankie Magnire and Jackle Clark, unstate battlers, clash in an eight-rounder, Four other numbers, each a six-rounder, follow. Jack Brazzo vs. Johnny Meally, Dave Astey vs. Marty Kane, Tommy Jamison vs. Young Tom Sharkey and Billy Lyle vs. Johnry O'Neil.

CARPENTIER HERE TO BOX: DEMPSEY BOUT PROBABLE

Battle of Century" May Be Staged in New York in October or November-Await

Arrival of Cochrane

By LOUIS H. JAFFE

GEORGES CARPENTIER is making his second invasion of the United States. On his first trip here the French hero was greeted amid a blaze of glory, but, after he had collected a carterior via exhibitions glory, but, after he had collected a lot of soft currency via exhibitions without appearing in a regular bout, he was "razzed" out of the country. The greatest boxer in the history of the European ring has been on Uncle Sam's soil for twenty-four hours on his most recent visit, and already all sorts of gossip as to the probable meeting of the Frenchman with Champion Jack Dempsey, pro and con, is being wafted to the four winds, as they say. Car-pentier's manager, Deschamps, is wily fellow. He says that Georges is here this time for the purpose of honest-to-goodness boxing, all of which means that the fickle fan will forget about the well-known "raz."

Of course, much depends on the result of Carnestier, meeting with Bat.

sult of Carpentier's meeting with Bat-tling Levinsky, local light heavyweight, at Ebbets Field, Brooklyn, October 12. thether the Frenchman will be ranted a clash for the world's title. Taking for granted that he will make good against the Battler, here's the latest dope on the chances of a Carpentier-Dempsey bout:

Though the secret understanding between Jack Kearns and Francois Deschamps has been that the world's championship battle was not to be held before July 4, 1921, the big bout may take place before then. The first team, of course, was subject to changes, with Hopper and Grave, ends; Ward and Copeland, tackles; Thomas and Lenham, guards; Crawford, center; Miller, quarterback; Straus, Harvey and Whitehill, backs.

TOBACCO

The one special thing that makes you like Lucky Strike - in a cigarette or pipe - is this entirely different flavor

of toasted Burley tobacco. Nature has made Burley tobacco perfect - almost. Toasting finishes the job.

Toasting seals in the Burley flavor. Toasting closes the pores in each leaf. The Burley flavor can't come out except when you light your cigarette or pipe. Heat seals it in, heat releases it.

(You know the way a bee works on honey. Seals in all the delicious honey with a coating of wax. Same principle.)

It means something to you to have the original Burley flavor on hand when you want it.

Try Lucky Strike and see for yourself how toasting makes the flavor delicious.
