KILL MAD CIRCUS ELEPHANT

Trainers Use Rifles When Lion Cage is Thrown Thirty Feet ina, Kan., Sept. 14 .- (By A. P.)

-It required three rounds from five army rifles here yesterday to kill Sayder, a trained elephant belonging to a circus showing here. The animal had gone mad just as the circus was about

open, and hundreds of persons were asked about the animal tent. Before being killed the elephant upnet many cages containing other ani-nals and threw one cage, containing our lions, thirty feet. The afternoon

fircus performance had to be aban-loned. The elephant was valued at

in our store organizations we have a carefully chosen force of young women helpers, workers of the most desirable type. They are as desirable as we can make them. We make them so by making the positions themselves desirable in the matter of satartes working conditions and opportunity

Just now, as we approach the busy fall and winter season, there will be many positions open which should interest refined, educated young women raised in good American homes, who are anxious to test out their shillties in the business field. JOHN WANAMAKER

Men to do cleaning and general porter work on night or day force; only those who are reliable need apply. Call before 11 o'clock.
