

CITY LIST SWELLS FOR POLICE CARNIVAL
More Than 650 Contestants Already Signed for Field Events October 9

The annual athletic carnival of the city, the proceeds of which are turned over to the police pension fund, will place on October 9 at Shibe Park, promises to be the greatest affair ever conducted by the department.

Captain George S. Tempest, assistant superintendent of police, who is the acting head of the committee of arrangements announced last night that already had received 650 entries for a list of track and field events. In view of the fact that the police have been restrained from soliciting or selling tickets for the carnival as was the custom in past years, the Public Ledger Co. has opened a ticket booth at its main office, Sixth and Chestnut streets, where tickets can be purchased. The sale of tickets is also going on in every district police station and at room 225 City Hall. Persons living out of town desirous of obtaining choice seats can get them by sending money or check to Captain George S. Tempest, chairman of the finance committee. Ordinary good seats are \$1. Boxes are \$7 a chair.

Director Cortelyou, speaking of the carnival, said: "I have just been informed that the program for this year's carnival is already a record-breaker and the end is not yet in sight. Such games as those that go to make up the annual carnival program are not only incentives to keep the men of the department fit and on their toes for their regular duty, but they give the public a chance to see the general make-up of the police force."

"On account of the complaints by several of our citizens that they were made to purchase tickets for the carnival under other administrations, I decided to stop the selling of all tickets by the police and depend on the loyalty and sense of duty of members of the general public to come forward and buy these tickets on their own initiative. Besides, it affords every one an opportunity not only to help the police pension fund, but to see a set of games worth twice the price of admission."

DISCUSS STREET MISHAPS
Director Cortelyou and P. R. T. Seek to Curb Fatality Increase

A conference to devise means of curbing the rapid increase in accidents on the highways was called yesterday afternoon by Director Cortelyou, Superintendent Mills and Miss Safety First of the Philadelphia Rapid Transit Co. According to the figures of the Department of Public Safety there were 188 fatal street accidents in 1917; in 1918, 253; in 1919, 228, and in the eight months of the present year, 100.

Means for arousing public interest were discussed. The P. R. T. Co. will have placards posted in their cars and distribute pamphlets, printed in English and foreign languages, among the school children, warning them of the possibility of accidents. Superintendent Mills has issued stringent orders to the police to arrest all violators of the traffic regulations.

LONE SCOUT RALLY TOMORROW
The fourth Greater Philadelphia Lone Scout rally will take place tomorrow at Belmont Glen, Fairmount Park. There will be a picnic, hike and field day. It is expected that more than 200 members of the order in this district will attend. The events will begin at 10 a. m. with an intertribe baseball game and will conclude at 7 p. m.
