a division which is healed so far as Harding is concerned, but which is alive as regards Watson. Watson is an old aversion of the progressives who defeated him for nomination four years ago and only allowed him to go to the Senate when an unexpected death created a second vacancy. The progres-sive sentiment is a live thing here. Ex-Senator Beveridge will test its strength two years from now when he will try to Succeed Harry New in the Senate Watson, moreover, has not Watson, moreover, has not been happy in his campaign. He rather over

idea in his early speeches and became so enamored of it as to declare His noimnation does not raise any moral issue. He is the opposite to Watson. He is no orator and he is a politician. a master politician. Indiana admires politicians. They are a peculiar prod-uct of the state, which feels that it

Regards Taggart Kindly

to say unpleasant things about Taggart. Investigation of campaign expenditures will be reopened here Wednesday by the Senate elections subcommittee, it was announced today at the office of Senator Kenyon, chairman of the committee.

Subpoenaes for a number of witnesses were issued today by the sergeant-atarns of the Senate, but the names of the persons to be called were not made public.

To say unpleasant things about Taggart. But Taggart, like Bottom, or whoever it was in Shakespeare, has been translated. His translation took place when he served a few years ago some months in the United States Senate. Indiana says that Taggart made a good senator, whatever accounts for it. Taggert has been saving his soul in recent years. People say of him that he has 'mellowed' with the passing of years. "mellowed" with the passing of years. At any rate there he stands, a pretty well-regarded figure with a certain for-midable quality, a greater talent for personal contacts than any other man in the state. He has a genius for know-ing people and making them like him and respect him at close range. "That's a Good One," Man Laughed, When Told Music Would seem to be a little against him this time with the swing toward the Republican party that is unmistakable in Indiana. But hard reading as this will be in New York, Philadelphia or Chicago, Taggart is undoubtedly the strongest opponent "What's in them boxes?" sniffed Watson could have.

the inspector.

"That's some music which I brought over with me," said Doctod Stokowski. country," returned the conductor.
"That's a good one," laughed the inspector harshly. "I guess your goin' to sell it. Well, you can't put anything like that over on me; I've heard that war, which he intends to give a neet like that over on me; I've heard that hearing during the concerts here this line before."

At this point an inspector happened slokewski says represent the latest musical thought in Europe, were packed
