municipal contractors. While the Na-tional Surety Co. continues to receive business under that method, it is pointed out, it can afford to defer in-definitely an announcement as to what action it will take concerning the \$1,025,000 contract for the Northeast sewage disposal plant, Richmond street and Wheat Sheaf lane, which has been abandoned by the contractor, the Phila-delphia Subway Construction Co. Proscription was imposed on the Na-tional Surety Co. by the Mayor until the company agreed to an adjustment of the contract, which was bonded by the com-pany for more than \$500,000. At a conference with Director Caven, of pub-lic works, almost three weeks ago, rep-TRADE OF BELGIUM Production of Manufactured
