## Announcing A New Method For the Selling of Used Automobiles

Experience has proven to us that owners of cars, desirous of selling, and many prospective purchasers of used cars prefer to deal with a business concern competent to judge honestly the condition of cars and to appraise them at a fair value.

In the past year we have built up a reputation for expert service on those lines.

In other words, we are used car brokers. We place on our floors used cars for the owners, and after a thorough examination advertise and sell them, giving the purchaser a written statement of our mechanical department's report on the condition of the car. The seller and the purchaser enjoy the benefit of our experience and knowledge. and of our reputation of conducting a used car brokerage business along the most approved lines of leading new car distributors. Our aim is to so deal with our customers that the seller shall get a fair price for his car and the buyer good value for his

Our showroom in our new building is one of the finest and best appointed on Broad Street.

As a convenience to customers and motorists in general, we maintain an accessory department, selling tires, motor oil, etc., and secure licenses and place automo-

Our regular advertisements in newspapers will present new offerings of cars periodically.
