

# SULL'AGITAZIONE OPERAIA IN ITALIA

### Parte dei Metallurgici, Istigati Dagli Estremisti, non Vorrebbero Abbandonare gli Stabilimenti Industriali

Published and Distributed Under PERMIT NO. 841. Authorized by the act of October 3, 1917, on file at the Postoffice at Philadelphia, Pa.

Milano, 22 settembre.—Corrono insistenti voci che, nonostante l'accordo segnato in Roma tra i rappresentanti degli industriali e dei metallurgici, nessuna intenzione esiste tra gli operai di evacuare dagli stabilimenti occupati. I propagandisti estremisti sono occupati nel far comprendere che la causa dei comunisti è stata tradita nelle conferenze di Roma e che perciò il ragionato accordo deve essere rigettato.

Roma, 22 settembre.—I metallurgici italiani che hanno occupato gli stabilimenti in alcune delle principali città d'Italia, specialmente a Torino e Firenze, si rifiutano di abbandonarli. A Genova gli anarchici vanno distribuendo manifesti tra i lavoratori, contenenti appelli e dimostrando che la causa degli operai è stata tradita con l'accordo raggiunto in Roma tra rappresentanti delle parti contendenti.

Londra, 22 settembre.—Gli operai in Genova affiliati alle società anar-

chi che hanno rifiutato di riconoscere l'accordo raggiunto per la vertenza tra metallurgici ed industriali e mantengono il possesso di alcuni stabilimenti, compresi i Cantieri navali Otero, secondo un dispaccio giunto da Roma all'Exchange Telegraph. Il consiglio dei lavoratori a Sestri Levante, ove vi sono moltissimi operai di importanti cantieri e stabilimenti industriali, ha deciso la resistenza ad oltranza, qualora si tentasse di sveniarli dagli stabilimenti occupati.

Roma, 22 settembre.—L'Osservatore Romano, organo del Vaticano, dice che la scorsa notte i socialisti hanno tentato di invadere una chiesa in un quartiere popolare, ma non riuscirono a forzare le porte. Essi posero il tentativo a più tardi, quando cioè, uscì il giornale, si tentò di occupare il Palazzo Laterano, che fu una delle residenze dei Papi.

Londra, 22 settembre.—L'invasione degli edifici religiosi in Roma fa parte di un movimento tra le persone impossibilitate ad ottenere un alloggio, data la scarsità di case per abitazione. Un dispaccio da Roma al London Times dice che l'occupazione di detti edifici è già cominciata.

Washington, Sept. 23.—(By A. P.)—Guatemala's purpose to cultivate close relations with the United States is stated in a note received today by Secretary Colby from Luis Toledo Herrera, head of the special mission of Guatemala, formally announcing that Carlos Herrera had assumed office as the constitutional president of that government.

Milano, 22 settembre.—L'opposizione all'accordo che è stato raggiunto in Roma tra i rappresentanti degli industriali e dei lavoratori metallurgici è divenuta più aspra durante una riunione tenuta dagli operai per discutere appunto l'accordo raggiunto. I membri delle commissioni operaie, che seguono l'accordo, spiegarono che essi portarono semplicemente la decisione nella sessione plenaria degli operai, alla quale le tendenze del partito socialista hanno dato al presente movimento un carattere politico con la mira di rovesciare il presente regime di cose.
