Walk-Over Shoes for Women \$4.45

Nationally-Known Shoes for Men \$5.45

As we said the other day, any man or woman who now buys supplies at war-prices, must like them. It surely isn't necessary.

Walk-Over Shoes for women—factory "rejects," to be sure (all-sufficient reason for halving the prices), but the most careful woman will get more marks and mars on her shoes in two wearings than are on any of these—yet you save in buying as much as you spend.

The drawings show the outline and stylish cold-weather height of these shoes. Here are the leathers and combinations—
Patent Leather, with black satin tops.
Black Suede.
Brown Kid.
Black Kid.
Tan Calfskin—All the most desired shades in highest grades.
Plain and Tipped Toes.
Welted and Turned Soles.
Sizes 3 to 8.

Several hundred pairs of perfect shoes from our own stocks are reduced and put with the *Walk-Over* to perfect the size lines.

Think of Men's Cordo-Calf Shoes
Nearest and Satisfactory Approach to Cordovan } **\$5.45**

And, besides, there are tan calfskin, gun-metal calf and black kidskin shoes—in styles enough to suit all men. Sizes 6 to 11.

All at \$5.45.

Very large annex space—the Subway-Store Main Aisle—is added to the shoe section and—
A HUNDRED AND EIGHTY SALESPEOPLE on duty and at call—to give quick, accurate service.

You will think away back to 1914 to recall such shoe values. The *Walk-Over* Manufacturers do not, as a rule, make clearance sales at this season, but are co-operating closely to add to the "back-to-reason" price sales that mark this Gimbel 78th Anniversary celebration. The movement accentuates the real power and helpfulness of the Gimbel Store—the money advantages are all yours.
