

### COUNCIL MAY GET NEW BUDGET TODAY

#### City Expenses for 1921 Are Expected to Total \$60,000,000 After Cutting

#### HADLEY TO CERTIFY FUNDS OTHER EMPLOYEES BENEFIT

Mayor Moore's budget for city expenses in 1921 is expected to be forwarded to Council today. The total is understood to be about \$60,000,000.

The Mayor, his directors and clerks in all departments were kept busy last night completing the budget from the original one of \$74,000,000, which he ordered cut about \$15,000,000 last week.

Later a redrafted budget which totaled about \$64,000,000 was submitted and again turned down, and the one made up last night was the result of further orders from the chief magistrate.

Each interest is evinced in the forthright budget, as upon it and the amount appropriated by Council depends the question of any tax increase, one of the things the Mayor was working against when he signed it.

City Controller Hadley has fixed the limit of city expenses at \$50,000,000. It is generally believed that the Mayor's budget will not be more than \$2,000,000 in excess of this.

Mr. Hadley is counted upon to certify to Council at its meeting today upward of \$2,000,000, to prevent the possibility of the city becoming in arrears for wages, salaries and bonuses.

The fractional fight in Council which delayed action on the \$2,000,000 emergency loan bill, and which probably will result in its withdrawal, has placed the Council close to the point of keeping many city employees without their salaries and also regular salary payments.

It was learned unofficially yesterday that Controller Hadley has a certificate upward of \$1,000,000 of liquor licenses and approximately \$1,500,000 of excess realty tax receipts of the current year as available for appropriation.

That action, it was pointed out yesterday, gives promise of terminating the threatened deadlock in Council between the Vire faction on the one side and the administration members on the other.

Besides the salary and bonus items it is expected Council will pave the way today for giving the Department of Public Works the \$400,000 it needs for the city street cleaning equipment, and \$250,000 for street repair.

Those items are included in a pending appropriation bill which the Mayor has given Controller's certificate to meet the need for that bill to be amended so as to include \$900,000 for policemen's wages, \$250,000 for firemen's wages, and approximately \$350,000 for salary bonuses.

The budget estimates will also include a large sum to pay the salaries and expenses of maintaining the Municipal Court for 1921. Last year the appropriations for the Municipal Court amounted to approximately \$1,000,000, and while needs of the court for next year are not definitely known, it is expected that it will exceed this figure.

According to the officials in the city treasury department, there is now only \$80,000 available to meet the expenses for the remainder of the year. To save the city from defaulting on those payments, \$500,000 is needed for October, November and December.

Unless the money is forthcoming today from Council, hundreds will have to go without the bonus payments.

It is probable that the \$2,000,000 emergency loan bill will be redrafted for a smaller amount, and is changed form passed at a subsequent meeting of Council.

**GREEK KING CRITICALLY ILL**  
General Condition Unchanged, Says Physicians' Bulletin

Athens, Oct. 12 (delayed).—(By A. P.)—The condition this morning of King Alexander of Greece, who has been ill several days, the result of the bite of a monkey, was given in the bulletin of his physicians as follows:

"The king was again seized with a shivering fit at 8 o'clock last evening. This, however, did not last as long as the previous ones. His temperature at 11 p. m. was 40.4 centigrade (104.7 Fahrenheit), becoming lower without the use of drugs, and reaching 39.8 centigrade (approximately 103.6 Fahrenheit) at 4 o'clock this morning. The general condition was unchanged."

An Athens dispatch giving slightly later information than that contained in the detailed bulletin quoted in the foregoing was received in this country Tuesday night. It stated that at 11 p. m. Tuesday, it stated the king had entered the critical phase of his illness and that the doctors were relying only on his strong constitution to bring him through.

**Post to Celebrate Armistice Day**  
Burlington, N. J., Oct. 13.—Arrangements for an elaborate celebration of Armistice Day on November 11, have been completed by the War Post, American Legion. Every local organization will be invited to participate with former service men in an afternoon parade on Saturday. Mayor Stone's command in the 114th Infantry yesterday observed the second anniversary of the battle of the Bois de Ormont, near Verdun.

**Mrs. Katharine D. Hauck**  
The funeral of Mrs. Katharine Dey Hauck, a widely-known W. C. T. U. worker, will be held tomorrow from her home, 6827 Race street. Services will be conducted there tonight and there will be another service tomorrow morning at 11 o'clock at Falconer Swamp Lutheran Church, near Pottstown. Interment will be in the burial grounds adjoining the church.

**Mrs. Hauck** who was seventy-one years old, died Monday at her home. She was the widow of John K. Hauck. During almost the entire term of her connection with the W. C. T. U. Mrs. Hauck had acted as chairman of the publicity committee, and had reported the annual convention of the organization to the Philadelphia papers for many years. Her most notable work for child welfare was the founding of the Armstrong Mission, in Franklin, and her supervision of the mission's work up to the time when failing health forced her to retire.

**Dr. Harriet I. Noble**  
Dr. Harriet I. Noble, anatomical expert in the gynecological department of the Post-Graduate Hospital, New York, and former head demonstrator of anatomy at the Woman's Medical College here, died Sunday at her home, 4652 Park avenue, Brookline, Mass. She was sixty-one years old and was born Danvers, Va.

### BONUS AND RISE GIVEN TEACHERS

#### Education Board Acts After Bitter Fight, Making Lump Award of \$200

#### GRATZ TO CERTIFY FUNDS OTHER EMPLOYEES BENEFIT

The Board of Education yesterday awarded public school teachers a flat bonus of \$200 and an advancement of the present salary schedule.

The bonus will be paid immediately every employee of the board except janitors and janitors. The engineers and janitors received an increase on a schedule agreed upon at a conference of their representatives and officials of the board.

A bitter fight preceded the board's action. A ballot on the question received less than the requisite two-thirds vote. Opposing factions finally united.

The trouble was precipitated by the report of the finance committee which read: That report advocated the use of the \$1,000,000 acquired indirectly by the sale of bonds and authorized a bonus of \$135 per person.

Gratz for \$200

When the report was read Simon Gratz, president of the board, turned the gavel over to William Rowen and presented an amendment increasing the amount of the bonus to \$200. This same amendment had been turned down at the finance committee previously. The money for this additional amount is to come from a temporary loan of \$400,000.

It felt that we are justified in borrowing this additional sum," said Mr. Gratz. "because our temporary borrowing capacity is now restored and we will receive more money during 1921. There is also the prospect that Council will induce the earlier payments of taxes, and in addition I am sure the State Legislature will act to increase our borrowing capacity, if needed."

"The teachers have been confident that the board would give them at least a \$200 bonus and an increase in their salaries," said Mr. Gratz. "If we fail to grant this bonus we will hear the cry of the great majority of the teachers."

**Beber Opposes**  
This amendment of Mr. Gratz was immediately opposed by former Judge Dimmer Beber, who offered a substitute of the advanced salary schedule. That advance would give the teachers immediately the salaries that would normally be paid in January, 1922. When the principal of equalization was adopted last March, it was arranged so that the women would receive one-third of the difference between their present and the men's pay each year.

The plan of Judge Beber had also been defeated in the finance committee. The vote taken on Judge Beber's substitution passed 7 to 6 and the advanced salary schedule became an amendment of the finance committee's recommendation.

The opposition, however, led by Mr. Gratz, refused to relinquish the \$200 bonus, and the recommendation failed to pass, as it required a two-thirds vote.

**Edmunds Urges Action**  
At this juncture the whole plan to help the teachers seemed to be a failure. Mr. Edmunds, in a short and vehement talk, urged the members not to leave the room without coming to some agreement and doing something for their employees.

Joseph W. Catharine, a staunch advocate of the advanced schedule, then proposed to compromise by giving the \$200 bonus and the advancement. Mr. Gratz said he was willing to accept the advanced schedule if Judge Beber would favor the higher bonus. Everybody was finally agreed and after a motion to reconsider, the double plan passed by a unanimous vote.

Although this plan does not put into operation the Finegan schedule as advocated by the citizens' committee, it does satisfy them both, and is counted a victory on all sides. Board members explained that the Finegan schedule is yet incomplete and cannot be adopted until after Doctor Finegan has worked out the details, and presented them to the state Legislature.

Women Doing Their Own Work Save Billions of Dollars

Harrisburg, Oct. 13.—"Women of the United States who are doing their own housework are making an annual contribution of more than ten billion dollars to the economic resources of the nation," declared Mrs. Thomas G. Winter, president of the General Federation of Women's Clubs, here last evening.

"Every woman who does her own housework is making a contribution of at least \$40," she said. "The club women should recognize this contribution and should demand that provisions be made by the government for the training of teachers and other women in home economics."

**TWO QUIT IN CAVALRY TEST**  
23 Entries Resume Journey in Five-Day Endurance Contest

St. Johnsbury, Vt., Oct. 13.—(By A. P.)—Two more starters in the cavalry endurance test were eliminated at the get-away today on the third leg of the 300-mile, five-day journey from Fort Erie, Allan to Camp Devens.

The withdrawal of Sargon, an Arabian, and Avil Watts, a standard bred, leaves twenty-three horses in the race, most of them having been withdrawn on the first day.

To enable the horses to reach White River Junction before dark, they were sent away this morning unusually early. The first to start were Hamble and Mile Denise, two thoroughbreds from the United States remount station, who left at 5:09. These two horses have been leaders on each day of the test thus far.

### FARMERS RESISTING DECLINE IN PRICES

Their Representatives Hope President Will Aid Move to Check Fall

#### ASK LIBERAL LOAN TERMS

By the Associated Press

Washington, Oct. 13.—Representatives of agricultural interests meeting here to devise means of checking the downward trend of prices of farm products were hopeful today that President Wilson would give an audience during the day to a committee which planned to protest to him against the currency deflation policy of the Treasury Department.

A request for a conference, with members of the cabinet participating, was made of the President yesterday by Senators Overman, of North Carolina, and Harris, of Georgia, acting in behalf of the farmers' organizations represented at the meeting.

A delegation expected also to carry their appeal for a more liberal government policy with respect to loans to the Federal Reserve Board, which is holding its regular fall conference here today with governors of the various reserve banks.

Agricultural representatives gathered here declared that farmers of the country will lose billions of dollars unless the slump in the price of their products is checked.

A committee composed of representatives of each agricultural organization attending the meeting is drafting a statement to the public presenting the plight of growers under present conditions.

A resolution has been prepared and probably will be acted upon today denouncing the activities of "night riders" in cotton states. Rehabilitation of the cotton market, according to those who drafted the resolution, is hindered rather than helped by the activities of those responsible for the burning of cotton and cotton gins and for threats of vengeance. The Department of Justice has given assurance that an investigation will be made immediately to ascertain whether federal laws have been violated, and if they have, officials said today, federal prosecution of "night riders" and others responsible for destructions in the cotton belt will be ordered.

Trenton, Oct. 13.—His wife spirited away by her father two days after their marriage and is now restrained of her liberty, formed the basis of a charge made by Daniel I. Youmans, of Jersey City, in the early morning of September 12. Youmans charges that his father-in-law, who resides at Keansburg, N. J., took Mrs. Youmans to his home, without any cause or pretext. It is alleged by the young husband that his wife is imprisoned in her father's home and is not permitted to leave or converse with any one.

**REV. J. H. HOLMES NABBED**  
Pastor of Community Church Held for Speaking Without Permit

New York, Oct. 13.—The Rev. Dr. John Haynes Holmes, pastor of the Community Church, and two other members of the American Civil Liberties Union of Manhattan, were arrested here last night when they attempted to read the constitution of the United States and also to speak about their union on a public street without a permit.

Dr. Holmes was born in Philadelphia in 1879. The others arrested were Miss Rosa Scheidemann, Socialist candidate for senator and organizer of the Woman's Trade Union League, and the Rev. Norman Thomas, editor of the World Tomorrow.

Their bail was fixed at \$200 each. Before being arrested, the automobile containing the speakers was chased around the block three times by the police.

### CLOTHING STORE LOOTED

Thieves Get \$500 in Goods From Market Street Shop

The tailor store of Adolph Krasnath, 1618 Market street, yesterday, entered the third floor window of the building, which belongs to the haberdashery shop, and looted the place of shirts, undershirts, gloves and other articles valued at \$500.

Four adding machines, valued at \$800, owned by the Barroughs Adding Machine Co., were taken in a robbery at 831 Chestnut street.

The dwelling of Miss Anna Owens, of 1514 Diamond street, was entered and robbed of \$1100 worth of jewelry.

The home of John L. Blackman, of 612 Sixth street, was robbed last night of foreign coins and jewelry valued at \$85. Entering the cellar of the store of the Zimmerman Hardware Co., 431 East 10th street, thieves stole five electric vibrators, valued at \$37.

Thieves entered the Joseph Brown Public School, Frankford avenue and Hickory street, and stole a blanket and cakes valued at \$7.

### CHORUS GIRLS ON STRIKE

Paris Opera Orchestra and Stage Hands Also Walk Out

Paris, Oct. 13.—(By A. P.)—The orchestra, chorus and stage hands of the Paris Opera walked out last night to go on strike. The meeting at which this decision was reached was a private one, but Jacques Rouche, the director of the opera, said today the reason was his refusal to change the rules concerning the chorus and to agree not to employ more than one foreign artist every three months.

The first meeting of the strikers was called for this afternoon and hopes were held out that a way might be found of settling the differences before the time of tonight's performance.

### PREDICTS G. O. P. VICTORY

Harry A. Mackey Says California Will Give Big Majority

The Republican ticket will sweep the West and set a new figure for big majorities, in the opinion of Harry A. Mackey, chairman of the workmen's compensation board, who returned to this city yesterday after a trip to the Pacific coast.

Women voters especially, Mr. Mackey said, are working in behalf of the Republican ticket. He predicted that California, which was one of the first to give women the right to vote, would give Harding and Coolidge 100,000 majority.

Mr. Mackey spent some time in California and other western states. While in San Francisco he attended the convention of the International Association of Accident Boards and Commissioners.

Kovno, Lithuania, Oct. 13.—The violent expatriation by Polish troops of Vilna and the areas in dispute with Lithuania is apparently only part of a plan to cap the successes of the Riga conference by seizing for the vest pocket of the Lithuanian-White Russian-Polish-Federal republic, the remainder of Lithuania, uniting the other areas of mixed population in a new federative state under Polish hegemony.

The Lithuanian secret service has unearthed a plot of Polish land owners and other Polish nationals to organize risings in Kovno and other districts quite outside the disputed regions, overthrow the government and proclaim a new federative state.

### LEAGUE OF NATIONS WARNS POLAND

#### Vilna Situation Held Violation of Ex-Premier Paderewski's Promise

#### RUSSIANS REPORT SUCCESS

By the Associated Press

London, Oct. 13.—The League of Nations has sent a telegram to Colonel Chardigny at Kovno, who is in charge of the League of Nations Commission there, asking him to report fully on the Vilna situation and as to what treatment the members of the commission have been given, and assuring him of the support of the League.

The Poles unofficially have been informed that the league considers the Vilna situation extremely grave and a violation of former Premier Paderewski's statement at the Paris meeting of the League Council that the integrity of Lithuania would be maintained.

The case will be considered at the Brussels meeting of the council October 20.

**Soviets Report Successes**  
Successes for the Russian Soviet forces all along the line from south of Minsk to the Crimea are reported in the Russian Soviet official statement of the week, received here today by wireless. The annihilation of two companies of a Polish division in the Alexandrovsk district of the Crimean front is claimed in the statement. The communique says:

"West of Minsk, in the Belokov and Keydayn regions, fighting is proceeding with alternating success. In the Zhitomir region we have driven the enemy from Pulin (northwest of Zhitomir). In the direction of Proskurov we repulsed a strong enemy attack at Novokostantynov. In the region of Nova Ushakovka and the village of Proskurov we occupied the villages of Zemishkov and Verbovitsk."

"In the region of Alexandrovsk, on the left bank of the Dniester, the enemy evacuated several villages, but our counter-attack flung him back with severe losses. We captured prisoners and annihilated two companies of the Markovsk division. We are contesting for possession of the Polovky railway junction."

Constantinople, Oct. 12.—(By A. P.) The occupation by the Bolsheviks of Marulopol and Berliansk, on the sea of Azov, is announced.

(This represents a setback for the forces of General Wrangel, the anti-Bolshevik commander in South Russia, who recently was reported in possession of Marulopol and in virtual control of the entire coast of Azov.)

Warsaw, Oct. 13.—(By A. P.)—Proposals that the frontier between northern and central Lithuania be defined by a plebiscite have been sent to the Lithuanian Government at Kovno by General Zeligowski's commander of Polish-Lithuanian troops which late last week occupied Vilna. The note added that the new state which has entered into a conflict with Lithuania.

Hope that all difficulties relative to tracing the frontier may be removed by the constituent assembly at Kovno and Vilna is expressed by the general, and he declares the latter assembly will be summoned without delay.

General Zeligowski's demand upon Poland for assistance in the occupation of the new state ended with an expression of confidence that Poland would sustain him. The message said:

"Although Poland is bound to foreign powers and cannot realize the political plans framed by General Plehulski, we cannot remain in a country under the illegal sovereignty of the Kovno government, co-operating with the Russian Soviets. Therefore, our soldiers have taken possession of the country. We are sure Poland sustains our action."

Riga, Oct. 13.—A preliminary peace treaty and armistice was signed by the Polish and Russian Soviet peace delegates here at 7:10 o'clock last night. The armistice actually becomes effective at midnight October 18. The announcement that peace was signed brought great crowds to the square surrounding the Black Head House. Mr. Joffe and the Bolshevik delegation entered the hall first and were followed by Mr. Demubal and the Polish delegation. About two hundred persons, including the entire diplomatic body, and prominent Lettish officials crowded in the small room, many of them standing.

The head of the Soviet delegation, in a brief address before the signature of the treaty, described the Riga peace as "a peace without victory and without vanquished." That describes the Riga agreement accurately, as it appeared to disinterested onlookers. It was a peace of give and take, which those who have followed the course of events fear will not be very popular, either with the Bolsheviks or the Poles.

### JURY MAY FREE DANSEY SUSPECTS

#### Friends Say Inquisitors Will Refuse to Indict White and Mrs. Jones

#### CELEBRATION IS PLANNED

The finding of the grand jury that investigated the Dansey murder case is expected to be made public today. Mrs. Edith Jones and Charles S. White were accused before the grand jury.

"Billy" Dansey disappeared from his Hammoncton, N. J., home last October. His body was found in the wooded marshes about two miles from his home near First road about six weeks later.

White and Mrs. Jones, his father's housekeeper, were arrested in December. They had a secret hearing and were taken to the jail at Mays Landing Courthouse, and later released in \$7500 bail.

Prosecutor Gaskill, of Atlantic county, at whose instance the arrests were made, made no effort to lay the case before the grand jury until last week. Lack of real evidence against the accused persons was ascribed by most residents of the section as the reason.

All the evidence in the case was in on Monday. The report of the jury has not been announced, but unofficial "leaks" have it that both Mrs. Jones and White were discharged.

The grand jury convenes again today. One of its first actions is expected to be the announcement of the Dansey finding. Hammoncton residents plan a big celebration in honor of White and Mrs. Jones if the popular conception of the verdict proves to be the true one.
