PARLIAMENT MAY DISSOLVE MILITARY AT CORK FUNERAL

By the Associated Press

London, Oct. 19 .- Premier Lloyd government to meet the crists.

Parliament May Dissolve

Rumors in political quarters before-band as to probable developments dealt mainly with two suggestions-one that, as the result of certain private discussions of political leaders and prominent labor men, the government and the miners' federation would soon get into negotiations again; the other, that the government was contemplating a dissolution of Parliament to test the opin-

In the latter case the government, it is said, would appeal to the country with the declaration that the chase of wages after prices could not continue, and that the demands of the minor. and that the demands of the miners had been resisted to protect the com-

Another version of the government's Another version of the a contingency would be to challenge the judgment of the people whether "the supremacy of the Parliament was to be overthrown and be replaced by the asscendancy of one class of the community.

Additions Not Likely

All rumors of intervention by other unions in the controversy between the unions in the controversy between the miners and the government have ceased for the present and the labor spokesmen declare no union, nor any combination of unions, is likely to interfere without an invitation from the miners, which they say will certainly not be given at present. Similarly, reports that other bodies of workers are intending to join the strike likewise have ceased, for the time being at any rate.

being at any rate. names as helpers with the food ministry and the ministry of transport.

and Wales. Sharp autumn weather prevails and belief was expressed today that this would have an important bearing on efforts to end the strike. No Sharp autumn weather nearing on efforts to end the strike. No announcement so far has been made by the National Union of Railway Men and Transport Workers' Union relative to joining the miners in striking.

Parliament definite plans looking to the initiation of operations which would give relief to men who are out of work, of persons in the funeral procession of persons in the funeral procession which waited out the funeral procession when which waited out the limited to 100 pages of whom and he told a committee which waited must be limited to 100, none of whom on him yesterday he had proposed simulation would be allowed to march in military formation.

Strikers May Get Advance

There was an unconfirmed report last night that the government intends to offer the miners a compromise of one shilling per shift advance, provided they accept submission of the whole dispute to an independent tribunal

Liverpool and Manchester announce

the impending suspension of the tramway services, and among the minor effects of the strike is the countermanding of public social functions. Already the visit of the Prince of Wales to the city on Wednesday has been rescinded. and it is announced that the pageant. which was to have been a feature of the ord mayor's show, entitled "the makers f London." has been abandoned, owing to the coal strike.

was dispersed.

Whitehall, the scene of yesterday's rioting, this morning, seeking signs of the damage done to the public buildings. The traces, however, had been largely obliterated. The usual police patrols were somewhat strengthened. but did not interfere with the crowds which sauntered through Downing street and other thoroughfares.

SOCIETY GIRL ELOPES WITH JAPANESE

New York Maid of Distinguished " Lineage Weds Son of Nipponese Nobleman

New York, Oct. 19.—A marriage, de-cribed by her mother as an elopement, at that of Miss Priscilla Ablen Deiano, aughter of the late Mortiner Delano, of Massapegua and New York, to Takeo scribed by her mother as an elopement. is that of Miss Priscilla Alden Delano. daughter of the late Mortfmer Delano. Perkasie farmer, who because he lost his Treasurer, Samuel Meines, Section of Massapequa and New York, to Taken Wateri, said to be of a high family in Japan. They were married in the parish house at Old St. Paul's Church on August 5 by the Rev. George B. Cox.

But Mr. and Mr. Wateri are are all this case formerly lived in 1992 to the lost his Treasurer, Samuel Meines, Section of argument wife's love has brought said against Miss Remmert; chairman of argument committee, Harry Fishman; chairman in East Rock Hill township, for \$20.

Both Mr. and Mrs. Watari are art said today, while both attended the same course at the Art Students' League. The bride's father died on September 14 hast. The Wataris are now keeping house in a little cottage at Malba, L. L. where they live with Mrs. Delane, who said ber daughter's elopement was be cause she was so perfectly "modern." She said her son-in-law came from a

She said her son-in haw came from a very good family.

Mrs. Delano said her daughter was on both sides a descendant from early settlers in America. Her father, a descendant of the first Huguenots to come to this country, was an authority on heraldry and genealogy.

It was said that Takeo, who came here in 1908, is the son of a count, the third in a family of thirteen, and that his courtship of Miss Delano was his first romance. He had written home lately for his share of the eatate, but Takeo was not likely to get much, as he was forbidden by law to marry a foreigner. He studied at the National Academy of Design and at the Art Students Year of the Contral Station before Magistrate Mecleary.

UP TO PARLIAMENT FAIRLY GOOD NIGHT

Lloyd George to Discuss Situa- Physicians Fear Signs of Scurvy Are Developing-Commons to Discuss Lrish Bill

By the Associated Press

London, Oct. 19 .- The condition of George was expected to make declara-tions today at the opening of the ses-tion of the British Parliament relative to the situation resulting from the Determination League this afternoon strike of coal miners which began on The lord mayor passed a fairly good Saturday, and measures taken by the night without any further development of yesterday's disquieting symptoms.

'The lord mayor's memory be weakening." added the bulletin, but he is still conscious and deternined. His sight also is becoming af ected, and the of scurvy are developing.

The government intends to proceed

time to continue the "police murder reprisals." This brought cries of "shame" from the floor. Mr. Bonar Law replied: "It is the intention of the govern

ment meantime to put down the policy of murder.

Cork, Oct. 19.- (By A. P.)-The condition of the Irish hunger strikers in Cork jail has become worse as the re-Sult of depression caused by the death sult of depression caused by the death Sunday of Michael Fitzgerald, first of the eleven to succumb. Joseph Murphy, who was very low Monday, has rallied as the result of medical treatment, but as the result of medical treatment, but his case is still regarded as the most critical. Severe collapses were suffered by two of the strikers, Donovan and Kenny, early this morning. Sean Hen-nessey, Reilly and Upton are also in

a critical state.
To prevent Frish volunteers from marching in the funeral procession of Fitzgerald when his body was removed time being at any rate.

Meanwhile the government is receiving great numbers of offers of help from the general public. Thousands of men and many women have registered their of soldiers and an armored ca. feil in of soldiers and an armored car feil in behind the mourners' carriages follow-

ing the coffin and the ministry of transport.

Great Britain's coal-mining industry
has been almost completely paralyzed by
the strike. Reports of idle pits come
from all coal fields in England, Scotland

Premier Lloyd George has premised to bring at once before the promised to bring at once before the promised to bring at once before the promised to be the promise of the promise to the p funeral procession

HARD-COAL MINERS MEET

The strike will hit the iron, steel and cotton industries seriously. The great blast furnaces in the Middlesborough district are already beginning to damp down. Thousands of furnace men and steel workers are idle. This district provides a third of the whole British output of pig iron, and it is feared. Should the strike be prolonged, that some 25,000 men will be without work.

Liverpool and Manchester announce is in full swing. It is generally be a full lowerisation. According to Senator Frelinghuysen, the whole difficulty arises from the fact Workers of District No. 9, embracing that the shipping board has apparently almost ceased to function owing to numerous changes in its personnel and to the uncertainty regarding its future. He also declared in his letter that the shipping board has tied up many enterprises and caused vast inconvenience and loss, not only in this country but all of the southern anthracite coal fields, met here today, with the demands of the uncertainty regarding its future. He also declared in his letter that the shipping board has tied up many enterprises and caused vast inconvenience and loss, not only in this country but all of the southern anthracite coal fields, met here today, with the demands of the uncertainty as to who has been elected president of this district. The election was held three shipping board has tied up many enterprises and caused vast inconvenience and loss, not only in this country but almost ceased to function owing to numerous changes in its personnel and to the uncertainty as to who has been elected president of this shipping board has the the shipping board has tied up many enterprises and caused vast inconvenience and loss, not only in this country but almost ceased to function owing to numerous changes in its personnel and to the uncertainty as to be shipping board has the provided in his letter that the shipping board has to function owing to numerous changes in its personnel and to the uncertainty as to be provided in his letter that the shipping board has Pottsville, Pa., Oct. 19.—The bienweeks ago, but the tellers will not announce the result until the convention, is in full swing. It is generally believed Chris Golden, of Shamokin, has been re-elected as district president, and that he will present the grievances of the miners at the Philadelphia conference. That these have been of a serious nature to the succession of the shipping board is being severely criticized by the city officials of Gloussian of the Gloucester serious nature to this section when a young man, and studied medicine at Jeferson Medical College, Philadelphia. CAMPAIGN FUNDS TO BE MADE PUBLIC

Senate Probers Direct Revelation Five Days Before Coming Election

PEACE LEAGUE UNDER FIRE

By the Associated Press St. Louis, Oct. 19 .- Five days before the coming election, on Thursday, October 28, complete records of the colections and disbursements of the Republican and Democratic parties will be submitted to the public. The Senate committee appointed to investigate campaign expenditures meeting here, has directed the chairman of the national, senatorial and congressional committee of the two parties to file such reports at Chicago on that date. The eports are to cover all activities since the party chairman testified at the committee hearing in Chicago several weeks

ago.
In telegrams addressed to Will H.
Hays, Republican chairman, George
White, head of the Democratic National committee, and the heads of the other party organizations, the committee asked for complete lists of all subscrip-tions in excess of \$100,000; detailed figures on expenditures and also a list of all pledges, promises or underwrit-ing. Senator Reed specifically asked for the latter in an effort to learn whether the latter in an effort to learn whether any arrangement had been made to meet the deficits which, it has been reported, both parties will face after the election.

The senatorial committee recessed after yesterday's session and does not expect to meet again until after No-vember 2, provided the party chairman agree to file the information asked for. In event they refuse or fail the senators decided to meet in Chicago prior to the election and subpocna the chairman of the committees. Investigation of all

Don M. Hunt, attorney for the com-mittee who prepared the report following investigation of the letter and files of the league, suggested in his findings that some members of the league had, in his opinion, violated the Logan act, passed in 1799, to prohibit private citi-zeus negotiating with foreign governments or their agents in matters of controversy in which the United States is

MAYOR RECEIVES Bureau Chief Submits Figures Thermol Units

on Candle Power and British

CONSUMERS COMPLAIN

Results of tests of gas furnished by he United Gas Improvement Co., between October 13 and 17, have been given Mayor Moore by Chief Thomas, of the Bureau of Gas. His report gave the average of candle power and the mal units supplied during the tests. Complaints, it was said, continue to come from householders as to the quality of gas. By an agreement with the city, the U. G. I. is trying out the British thermal unit until the end of the present year, with the thought of having

of the twenty-two-candle power standard provided for in the city's 1807 least and provided for in the city's 1897 less of the gas works.

In the temporary plan, the city made it an obligation that the company furnish gas of not less than 580 British thermal units. Chief Thomas's report yesterday gave the following figures on the comparative tests: his comparative tests:
October 13 — British thermal unit,

the city agree to that standard instead

533.4; candle power, 18.61. October 14 — British thermal unit, October 14 — British thermal unit, 535.1; candle power, 14.09.
October 15 — British thermal unit, 536.1; candle power, 14.06.
October 16 — British thermal unit, 534; candle power, 14.
October 17 — British thermal unit, 531.8; candle power, 13.63.

"Bull Pen" Being Demolished Camden's much talked of "bull pen," a relic of the eventful zone fare trouble, is being demolished. Workmen started yesterday to tear down the unsightly shack that was the cause of so much trouble a year ago, when the Public Service put zone fares into effect. The shed is being removed to make room for a more commediate terminal. more commodious terminal.

Linde War on High Prices

Brings costs down to pre-war basis

The people appreciate what we are doing. Hundreds have hastened to take advantage of the greatest furnishing event in Philadelphia since 1917. Year in, year out, during the past quarter century our prices have again and again been proved lower than all others. But this is positively the biggest money - saving sale ever held in this or any other Furniture Store.

Nearly a thousand complete suites, with hundreds of odd pieces for every room in your home, are marked almost half, and some less than half, their present value. Every one stands upon the high quality pinnacle for which the Linde Store is famous. They represent the best to be had in materials, workmanship and design. Comparison will add force to this statement. Shop around. Your own common sense will tell you that this is a phenomenal opportunity. Don't miss it.
