

LEGION HERE PLANS BIG CENTRAL HOME

Committee is Authorized to Investigate as to Cost of Clubhouse

SEE NEED OF HEADQUARTERS

A central American Legion clubhouse is in prospect. Representatives of posts in the Second Legion district gathered at the Hotel Lorraine, Broad street and Fairmount avenue, last night, and authorized a committee to investigate as to the cost of acquiring and carrying a building suitable for a meeting place and rallying headquarters for these posts.

This committee was represented at the conference by T. P. Lowry, of the Thomas Roberts Roath (Marine) Post, No. 180; H. B. Ellison, of the Benjamin Franklin Post, No. 405, and G. D. Kane, of the Pennsylvania Railroad Post, No. 204.

It was decided by unanimous vote that the committee shall draft a communication to be forwarded to all posts in the district, outlining the initial expense in fitting up a proper clubhouse to meet the needs of the twelve posts, and the cost per member of maintaining the home.

George Wentworth Carr, the county chairman, presided at the meeting in the absence of R. R. Hogan, the district chairman, who was in Buffalo. The membership of the twelve posts in the second district aggregates about 3000 paid-up members, and is considered one of the largest district memberships in the city.

There was expressed at the meeting an urgent need for headquarters of a permanent character. The clubhouse, it was agreed, would solve this problem. The representatives from the various posts follow:

- The Benjamin Franklin Post No. 405—H. B. Ellison, Romain C. Hassrick and H. S. Hazlett.
- Thomas Roberts Roath (Marine) Post, No. 180—T. P. Lowry, J. J. Dwyer.
- Pennsylvania Railroad Post, No. 204—M. S. Broomall and G. D. Kane.
- State Fenibles Post, No. 142—Walter C. Rhoades and J. B. Murphy.
- Lawrence E. Delaney Post, No. 20—Joseph A. Mahoney.
- Walter M. Gearty Post, No. 315—William T. Quay.
- Thomas B. Fales Post, No. 108—Robert C. Stouten, G. F. Greenwood, Peter Cooper, W. D. Roach, W. R. Race and James W. Metzger.
- Donald T. Shenton Post, No. 130—William H. Biester, Jr., and Edward Blanton.

State headquarters of the American Legion will be removed from 841 Chestnut street to 933 Chestnut street, according to an announcement today by William G. Murdock, state adjutant. The new officials will be located on the third floor at the new address.

FOR AMERICAN FLAG ONLY

Mayor Will Allow No Other Banner on Independence Hall

Mayor Moore announced today that no flag other than the Stars and Stripes will be permitted over City Hall or Independence Hall during his administration.

Charles W. Alexander requested that the Louisiana state pelican flag be raised over Independence Hall in honor of the dedication of the Louisiana state memorial in the Vicksburg National Military Park.

"No one appreciates more than I do," the Mayor said, "the importance of encouraging good will between the states or with foreign nations, but during the recent war and the domestic excitement incident thereto, requests for the display of flags over public buildings and for the use thereof led to abuses and partialities which should not be encouraged now. While I would be willing to display the Louisiana state pelican flag from the window of the Mayor's office, I shall direct that no flag but the American flag shall be raised hereafter over the City Hall or the old State House, which is the proudest possession of patriotic Philadelphia."

STRAW VOTE AT PENN

Students to Show Preference for Presidential Candidates
A straw vote for the presidential candidates will be taken tomorrow at the University of Pennsylvania. Polling places will be established in the various departmental buildings and ballots will be cast between the hours of 9 a. m. and 5 p. m. Co-eds will be permitted to vote. The Houston Intercollegiate Newspaper Association will have charge of the straw vote.

The Students' Republican Club is making plans for securing prominent political speakers to address the students on the issues of the campaign.

The Undergraduates' Council, the governing body of the University, have agreed to permit house parties again this year, the first since 1912. Junior week, which will include Thanksgiving, has been designated for the house parties. A number of fraternity houses will be turned over to lady guests under proper chaperonage and rules made by the council.

CENSUS OF GAME ASKED OF HUNTERS

State Requires Report Showing Number of Animals and Fowl Killed

TWO BEARS MAY BE BAGGED

The Pennsylvania hunting season for 1920 will be officially opened tomorrow with a new "game killing census," which is a blank attached to each hunting license, and must be filled out at the end of the season and turned in to the State Game Board, telling the number of animals killed by the hunter during the season. The hunting season for bears was officially opened October 15. Recreational sports, snipe and water fowl hunting opened in September and the season on blackbirds opened in August.

Tomorrow the hunters will be permitted to crack their guns at ruffed grouse, the king of game birds; ring-neck pheasant, native quail, gambel quail, Hungarian quail and squirrels. On a few other kinds of game, however, the ban will not be removed until November. These include rabbits and hare, November 1, and wild turkeys, November 1. The deer season will not arrive till December 1. It will last only two weeks.

Bears have become so numerous in Potter county that hunters, instead of being allowed one for the season as heretofore, may now bag two if they wish. The game commission issued a warning that the limit of persons in a camp or hunting together will be three. The commission also announced that all the counties near Philadelphia are closed to ring-necked pheasant and quail shooting. It is expected that this will be one of the greatest hunting seasons ever experienced, as the animals and "big game" are plentiful and roaming at large in great numbers.

DOCTOR'S HOME ROBBED
Burglar Gets Jewelry Valued at \$2825 in Sherwood Avenue

The home of Dr. John Bele, 6370 Sherwood avenue, was entered by a window from the front porch last night while the family were asleep and jewelry valued at \$2825 was stolen from the drawer of Mrs. Bele's dressing table. The robbery was not discovered until this morning when the police of the Sixty-first and Thompson streets station were notified. The stolen jewelry included a diamond-studded platinum wrist watch and chain set with diamonds and four diamond rings.
