United Business Men to Meet Director of Public Works Cavan will idress members of the United Busisess Men's Association tonight on important municipal construction topics, meeting will be held at 8 o'clock in the Hotel Walton, Philip H. Gadsden, representing the United Gas Improve-ment Co., will speak on the new British thermal unit system recently introduced here by the U. G. I.

Will Address Philomusian Club Will Address Philomusian Club
Dr. George Earle Raiguel will lecture at the Philomusian Club Saturday,
November 6, at 3 o'clock, under the
auspices of the current events committee, Mrs. Walter Willard, chairman
His subject will be "The Capitals of
Europe Since the War." Dr. Raiguel
recently returned from Europe where
he studied conditions and visited the
battlefields where the American forces
were victorious. A tea and reception
will follow the lecture.

Standardized Production -and the PREMIER

STANDARDIZATION applied to automobile manufacture has resulted in better care for less money.

Standardized production has made PREMIER, First Among Cleaners, a better and more powerful cleaner than ever. It has made it possible to meet increased costs of materials and labor with increased economy. So today you can buy PREMIER for only \$2.75 more than it cost in March. 1988, or before the price inflation period of the past two

PREMIER quality cannot be measured by price. It must be proved by actual comparison with other cleaner values. Have a demonstration in your own home. Have any electrical dealer prove how, why and where PREMIER cleans more thoroughly, quicklyand economically. Have him demonstrate the exclusive PREMIER features. Have him tell you of PREMIER Service to users. Then have him make suitable deferred payment terms if you so desire.
