THEY GO TO

THE HIGHEST BIDDER

Twenty persons in Philadelphia are going to drive 20 cars from our place at the best price bid for the cars.

They are all used cars in good mechanical condition, and most of them have been overhauled by our mechanics.

They were taken in trade from motorists who purchased new cars from us.

We have tagged each car with the name and address of the former owner, and on this tag we have listed the price we allowed for the car. You are at liberty to make inquiry of these owners regarding this allowance.

What will you bid for the car that meets your requirements?

A bid of any amount will be considered, providing it is not less than fifty per cent of our appraised value.
