

LEGION HERE PLANS NEW COUNTY BODY

Members Urged to Refrain From Participating in Veterans' Conference for a While

NEED OF COMMITTEE SEEN

All members of the American Legion in Philadelphia were urged by resolution adopted by the county committee at its meeting last night in the Chamber of Commerce assembly room to refrain from further participation in the "Combined Veterans" conference until authorized by a duly constituted body of the Legion to take part in the conference. This action was taken on motion of Paul P. McGahan, of Harry E. Ingersoll Post No. 174, supported by James Francis Ryan, of Donahue Post, No. 500; I. G. Gordon Forster, of Vaselet Post, No. 277, and George S. Stewart, Jr., of the Howard B. McCall Post, No. 20.

It was emphasized in the Legion committee that the adoption of the resolution should not be construed by other organizations of veterans as evidencing an unwillingness to co-operate with them in promoting projects in which all veterans have a common interest. Rather the committee desired that it be definitely understood that the Legion stands ready to join with other organizations, but only after the properly constituted body of the Legion has given its approval. If a county committee is organized such a committee should determine the Legion's course here; if such a committee is not organized, then either the department commander, or the district deputy commander who will be named should define the Legion's position.

William G. Murdock, state adjutant, attending the meeting, declared that from the reports being received at headquarters a new county committee in Philadelphia, with proportionate representation from the posts, will be authorized by November 15.

"Everybody believes," said State Adjutant Murdock, "who is conversant with the situation in Philadelphia, that the Legion's work can best be coordinated through a county committee. The Legion cannot properly function without such a committee in this city.

"In the neighborhood of forty posts have called upon the department commander to organize a county committee. By the middle of the month a sufficient number of posts will have endorsed the proposition to justify state

headquarters in sending out notices to the posts to elect their representatives to the new county committee."

David B. Simpson, vice department commander, and chairman of the committee preparing for the reception to the Department Commander David J. Davis, at the City Club, 313 South Broad street, Wednesday evening, November 17, declared that National Commander Fred W. Gahrath, of Cincinnati, had definitely consented to be present. Post commanders and other officers are urged to forward their acceptance at once, since only 250 can be accommodated, and the reservations will be made for the first legionaries sending in their acceptances.

The question as to the procuring of firing squads from army stations was considered. The committee reported that a general order has been issued authorizing stations and depots to provide such squads upon request of relatives or friends. The details will be worked out through Major General Cronkite, commanding the Third Army Corps Area, Baltimore, Md. Already the commanding officer of the Frankford Arsenal has shown the keenest disposition to aid the Legion in this important work, and the committee expressed its gratitude not only to him but also to the War Department for its action on this question.

SITE BOUGHT FOR CHURCH

Evangelical Association at Last Has Home in View

Purchase has been made by the Atlantic Conference Corporation of Evangelical Association of North America of a lot at the southeast corner of Sanger and C streets as site for a church.

The Atlantic Conference has had an interesting history in its endeavor to build a church. Originally meetings were held in a tent at the corner of Sanger street and Rising Sun avenue until its destruction by fire. Subsequently the congregation was compelled to meet in a blacksmith shop near here. At present services are conducted in a small building belonging to the Philadelphia Storage Battery Co.

The new structure will cost approximately \$25,000. The lot is 175 by 104 feet. The land was purchased through J. T. Jackson Co., East Bros. representing the purchasers.

WOMEN HELD AS ROBBERS

Three Men Also Accused of Stealing Touring Car

Three men and two women, believed to be from this city, were arrested in Georgia yesterday, charged with highway robbery. It is alleged they beat Harry Ward, a chauffeur, of 3236 Sanson street, on the night of October 11, and then fled with Ward's car to Georgia.

Two of those under arrest are William Reich and Leona O'Toole. The police say the father of Reich conducts a store in this city. The others, George Bruce, W. H. Bourne and Mary Tooley, are also believed to be from this city.

Ward, the night he was robbed, received a telephone call from a South Broad street hotel. Two women and a man who got in his car ordered him to drive to Coatesville, Pa. From Coatesville he was ordered to drive to Fraizer to pick up another couple. On the way back to this city, Ward was ordered out of his machine at the point of a gun and then beaten into unconsciousness. He was then robbed and the \$4000.

WOMAN INJURED IN CRASH

Mrs. Emmeline Clark Hurt as Her Auto Hits Car

Mrs. Emmeline Clark, 15 North Forty-first street, had a narrow escape from death last night when the motorcar in which she and her husband Floyd Clark, were riding crashed into a Spring Garden street car on Sixteenth street.

Mrs. Clark was thrown violently against the windshield and severely cut and bruised on the face and arms. Mr. Clark suffered from loss of blood and was treated at St. Joseph's Hospital.
