**Every household should have a jar of Resinol to heal skin troubles**  
 Minor skin troubles—itching, bits of rash or redness—so easily develop into serious, stubborn affections, that every home-maker should have Resinol Ointment on hand to check them before they get the upper hand. We recommend Resinol for this with the utmost confidence because of its harmless ingredients and its success in relieving almost all serious skin diseases.  
 Resinol Ointment is an excellent healing dressing, too, for sunburns and stings from U. S. Doctors prescribe it. Sold by all druggists.

**The Toyland of Oz—Gimbels : Saturday**

Year after year the Gimbel Toy Store is the big bright spot of Philadelphia—and each year it's jollier, better.  
 This year the Wizard of Oz is helping. The quaint oddities of Oz greet you at every angle and turn.  
 Come, get in touch; get in step with the Toyland of Oz.  
 More toys than ever, and so many new ones—three continents have worked to bring merriness into Christmas.

And Ponies!—Pennsylvania has never produced quite an equal herd. The pony is back in favor—nobody fears to have a pony cart on the roads now; we've gotten used to motor cars and know they drive more surely than the old horse-teams. Anyway, the Pony is supreme in this big Christmas toyland—and our little visitors are invited to ride them to their hearts' content.  
 Everything will be ready Saturday morning.
