

ON THE WINNING HOCKEY TEAM. Miss Emma Norris (at the left) completing a healthy swing, at the Philadelphia Cricket Club, where the Philadelphia team defeated St. Martins, yesterday. The others are Mrs. Hamilton Disston, and Mrs. Nalle, at practice. Ledger Photo Service.

PULLS IT UP A HILL THEN RIDES DOWN. That's all this horse has to do out near Denver, Colorado. The incline is slight enough to allow the horse to pull a goodly load of passengers. Then he steps on the rear platform. Central News Photo.

JOHN D. ROCKEFELLER. The oil magnate is walking with an election 'watcher' on East Fifty-first street, New York, on election day, just before he voted. Underwood & Underwood.

BACK FROM EUROPEAN VISIT. Miss Dorothy Lank, of this city, was a passenger aboard the S. S. Olympic, that arrived in New York, yesterday. Underwood & Underwood.

ONE OF THE BEST GAMES OF THE SEASON. The Friends' Central eleven and the Haverford High School team played a no-score game at the P. R. R. Y. M. C. A. grounds. Rowland, of Friends' Central, has the ball in this play. The two captains are William Rowland, Friends' Central (at the left), and Harkins, of the Haverford team. Ledges, Photo Service.

WASHDAY IN JAPAN. Doing some domestic work in the Tamagawa river. Note the quaint drop-sail boats plying the river. International.

FACTORY FIRE PROTECTION. A New York manufacturing company has organized a women's fire company, that is doing a good job. We show you one of the members. Central News Photo.

BELIEVED TO BE AMERICA'S OLDEST WOMAN VOTER. Miss Annie Stone, 102 years old, of Roxbury, Mass. Kadel & Herbert.

WILL SUCCEED COX. HARRY L. Davis, Republican Governor-elect of Ohio. International.

MASSACHUSETTS NEW GOVERNOR. Lieutenant-Governor Channing Cox and his daughter. He has been elected to succeed Vice President-elect Coolidge. International.

TAKES HARDING'S PLACE IN SENATE. Frank B. Willis, former Governor of Ohio. Cincinnati.

DEEP-SEA FISHERMEN AT WORK. They are transferring pound fishing nets from the wagon to the boat, at Beach Haven, N. J. H. Armstrong Roberts.

OUR CITY'S WORKERS AND WHAT THEY DO

MANUFACTURING PYROMETERS. This instrument is used for indicating and recording temperatures as high as 3000 degrees Fahrenheit. The workroom is at the plant of the Brown Instrument Co., Wayne and Windrim avenues, one of the largest of its kind in the world. Ledger Photo Service.

SIMON GRATZ discusses real estate assessments, in an interview on the editorial page.

PAYING ELECTION BET. On this decorated wheelbarrow, Philip Welte, a Baldwin Locomotive worker, was given a ride during the noon hour yesterday. John Knockwell, a Cox supporter, furnished the power. Several hundred Baldwin employees marched behind the barrow. Ledger Photo Service.
