### Women's \$55 to \$60 Winter Coats

**\$35**

The greatest coat values of the whole year.

Because of mild weather the orders of certain big manufacturers fell under their reckoning. We were fortunate enough to secure their stocks at a tremendous sacrifice from the intended wholesale price.

Duvette, tinselton, spora, broadcloth, plain and silvert; bolivia, crystal cord, plain and suede velour and plush.

All are lined from top to bottom with beautiful figured silk and cozily interlined.

Lit Brothers—Second Floor

Every style that has found favor in Winter fashions is depicted at its best. Many of the handsome fur collars alone are worth as much as we have priced the coats—seal, raccoon, Australian or dyed opossum furs for choice!
