### AIDS FRIENDS ABROAD

Miss Martha T. Speakman Feeds this

Miss Martha Travilla Speakman, daughter of Dr. W. W. Speakman, of 1825 Chestnut street, is working with the American Friends' service commit tee in Vienna feeding the undernour-ished children of that city. The committee, which has its headquarters at 20 South Twelfth street, is fooding 650,000 children of school age in Ger many and 45,000 children under school age in Vienna. During the winter the American Friends expect to feed 1.-000,000 children and nursing methers in Germany. One hot meal a duy is served to the most undernourished and

liseased children. Speakman recently obtained \$1500 for this relief work from friends n London and invested the money a new ward for the treatment of disinsed children in a Vienna hospital.

avenue could be given over to a great memorial or convention hall or series of halls. The site of Lemon Hill Mansion could be made effective by the erection of other memorials: a gallery of history, containing statues and busts of famous men mel women who have figured in the national history of the last century and a half. A suggestion comes from another source that there should be a repro-duction in marble in actual size of the room in which the Decharation of In-dependence was signed. Its decoration would consist of life-sized statues of every signer of that immortal document, the entire expense being born by the thirteen commonweaiths thus repre-By GEORGE NOX McCAIN A great deal of the success of the squicentennial of the signing of the inclaration of Independence will de-
