

AMERICAN LEGION CALLS BIG MEETING

Post Representatives to Reorganize Philadelphia County Committee December 21

25 MEMBERS ENROLLED

Representatives of the seventy-six posts of the American Legion in Philadelphia county will be notified by the department commander, through David B. Simpson, vice department commander, that a meeting will be held December 21 in the Chamber of Commerce assembly room, Widener Building, for the purpose of reorganizing the Philadelphia county committee.

A sufficient number of requests for the calling of such a meeting have been received from the posts by the department commander to meet the requirements of the constitution. It is provided that fifteen days after the receipt of such requests a conference of representatives shall be called for the purpose of organization.

Vice Department Commander Simpson will preside over the meeting and William G. Murdock, the state adjutant, will act as secretary. Representatives elected to the county committee will comprise the committee under the constitution.

The Walter M. Gearty Post, No. 315, of Germantown, has announced a dance for Thursday evening, December 2. The post will be assisted by the women's auxiliary, which is an active organization. This auxiliary has realized several hundred dollars from theatre benefits and other affairs conducted during the last few weeks, and this money will be used to furnish rooms for the auxiliary at 157 West Chelton avenue, Germantown.

DARLINGTON TO OFFICIATE

Harrisburg Bishop to Assist in the Service of Russian Church Here
Bishop Darlington, head of the Episcopal diocese of Harrisburg, will take part in a special service tonight in the Russian Eastern Orthodox Church, Seventh street above Brown. The participation of an Episcopal bishop in an Eastern Orthodox Catholic service is an important event in the church world and is regarded as a significant step toward the intercommunion between the Orthodox and Episcopal churches, which is now being sought by the Episcopal Church, long established in America, and the Orthodox Church, which, among persons of Russian, Greek, Serbian, Bulgarian and Rumanian birth or extraction, has now 3,000,000 members in the United States.

B. and L. Bodies Increase Stock
Building and loan associations filing notices at Harrisburg of increases of stock include the following in Philadelphia: Christian A. Fisher, \$1,000,000 to \$3,000,000; Mutual Friends, \$2,000,000 to \$5,000,000, and Northeast, \$1,000,000 to \$3,000,000.

Here's Another \$5,000,000 Appetite Waiting for These War Department Canned Meats

That's how much of these guaranteed canned meats were shipped last week to every section of the United States—sold by thousands of dealers and relished at the tables of hundreds of thousands of families, and little wonder, when delicious quality of these meats is considered in connection with their extremely low price which would have seemed extraordinary in pre-war days. This is the Government's second thrust at the high cost of living. The prices quoted are wholesale prices, but they give you some idea of what you can buy this incomparable food for from your dealer. Obey that impulse now. See your dealer. If he hasn't this meat in stock he should have, for these wholesale prices allow him a good profit and you a great saving. Send us his name by postal.

No order received for less than \$250.00.
